

November 2019

# Orange Room Newsletter

Happy November!

Our monthly theme is Happy Harvest, and we have an awesome month planned.

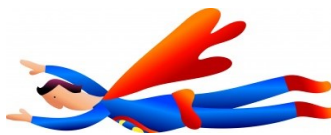

The first week will focus on **My Community**. During this week we will learn about various places in our community including our school, post office, grocery store, home, and park. The children will assemble their houses using various shapes, and they will have a classroom scavenger hunt!

Next, we will focus on **Maps/Travel/Globes**. The children will pack their suitcases and travel to many different parts of the globe during this week including North America, Asia, Europe and Africa. We will learn how to read a map while traveling in Europe, create our own rainmakers in Africa, and use addition problems to figure out how many people are on our bus in Asia.

Our third week in November will focus on **Thanksgiving**. We will discuss what we are thankful for and learn more about the first Thanksgiving. The children will use corn kernels and corn to practice counting and create their own Mayflower using paper plates, brown paint, popsicle sticks and yellow stickers.

Lastly, we will transform into **Superheroes** and learn all about our favorite characters from Marvel and DC. During this week, we will match letters to spell different heroes such as Batman, Superman, and Wonder Woman. We will create our own superheroes using paper bags and make ooey gooey green Hulk Slime!

## Character Trait:

This month's character trait that can earn buttons for our class and hole punches on their reward cards is **Determined**. Some examples we are looking for are:  
I ask questions until I understand the answer.  
I try and try again.  
I never give up.  
I work hard to get what I want.
