Cost	Approx. Length	Book
\$35.00	2 hours	\$15.00

## Course Material

**These courses offer an American Heart Association textbook, which should be reviewed prior to class.**

**What Credential Will I Receive?** Upon Successful completion of a course, each participant will be issued an American Heart Association E-card certificate verifying they have successfully completed the course. The recognition period is two years for AHA courses.

**CPR Information:** AHA Training Center Coordinator, 260.333.7683 or CPR@dekalbhealth.com.

*(e-mails checked daily)*

"The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association."

**A Big Thanks.** The Manikins used for CPR training are made available through donations from the DeKalb County Heart Association.

## CPR Courses and Education

Promote. Preserve. Restore.

# When emergency calls, be ready.

## Registration:

DeKalb Health offers several different CPR courses to fit your needs and schedule.

### Heartsaver CPR Course

The Heartsaver CPR Course teaches lay rescuers how to recognize and treat life-threatening emergencies, including cardiac arrest and choking for adult, child and infant victims. Students also learn to recognize the warning signs of heart attack and stroke in adults and breathing difficulties in children. The program is divided into a choice of three different courses. Heartsaver CPR for All Ages teaches CPR and relief of foreign-body airway obstruction in the adult, the infant, and the child.

Cost	Approx. Length	Book
\$35.00	2 hours	\$15.00

*Offered The Third Tuesday of Every Month*

All classes can be taught at other times for a group of 4 or more. Call to schedule date and time.

### Family and Friends

The CPR for Family and Friends Course teaches rescuers skills in CPR and relief of foreign-body airway obstruction, it presents information about the AHA adult Chain of Survival. It covers the majority of information contained in the Adult / Pediatric course but there is no credentialing or testing in this course.

Cost	Approx. Length	Book
\$42.00	4 hours	\$16.00

### Healthcare Provider

The Healthcare Provider Course (HCP) is designed to teach the skills of CPR for victims of all ages (including ventilation with a barrier device, a bag-mask device) use of an automated external defibrillator (AED) and relief of foreign body airway obstruction (FBAO). It is intended for participants who provide health care to patients in a wide variety of settings, including in-hospital and out-of-hospital settings.

\*This course is designed for Healthcare Providers such as physicians, nurses, paramedics, emergency medical technicians, respiratory therapists, physical and occupational therapists, physician's assistants, nursing students in training, aides, medical or nursing assistants, dental assistants and other allied health personnel.

Cost	Approx. Length	Book
\$45.00	4 hours	\$16.00

*Offered the third Wednesday of every month, 7:30 a.m.-11:30 a.m.*

### Heartcode Skills testing offered for

ACLS & PALS	\$80.00
BLS & CPR	\$25.00
