

## LEATHER BELT MANUFACTURING

Stone Belt's leather manufacturing services provide skilled and dedicated craftsmanship

Our employees are adults with disabilities. They take great pride in their workmanship, the quality of the products they produce and their ability to provide "just-in-time" delivery. This flexible, fast and effective workforce is capable of providing outsourcing opportunities for companies who need to control inventory, increase production, lower production costs or control distribution.

Our current line of leather products include:

Officer Garrison Belt - Nickel plated buckle, crease border, dull black resin finish, 8-9 oz. leather thickness, 1 1/2" wide

Dress Belt - polished brass buckle, dull black resin finish, 8-9 oz. leather thickness, 1" wide.

Tool Belt: 9 oz. natural leather

Trooper Garrison Belt - Black hook and loop Velcro material closure, basket weave, border crease design, dull black resin finish, 8-9 oz. leather thickness, 1 1/2" wide

Military Police Belt: 9 oz. black leather, creased, 1 3/4" wide, no buckle
