THE HOLLYWOOD BOWL**

**Single tickets on sale May 4.**

**WHAT:** **Neutral Milk Hotel**, featuring Jeff Mangum, Julian Koster, Scott Spillane and Jeremy Barnes, make their long-awaited return to Los Angeles to headline the Hollywood Bowl on Thursday, September 18, 2014 at 8 PM.

Neutral Milk Hotel was one of the most distinctive indie bands of the Nineties. With their second seminal album, *In the Aeroplane Over the Sea*, the group produced a bona fide rock classic, only to quietly disband and withdraw completely from the public eye just as they were gaining a sizable audience. But as the band stayed out of the spotlight, *Aeroplane* became a significant and influential musical milestone. Now, all four core members of the band return to the road for the group's first tour since 1998.

The one-night-only performance at the Hollywood Bowl marks the band's only Los Angeles appearance this year.
