

WHO WE ARE

Stone Belt is a not-for-profit organization that provides resources and supports for individuals with disabilities. Established in 1958, it is the oldest and largest agency of its kind in south central Indiana.

our mission

We believe in the uniqueness, worth and right to self-determination of every individual. It is our mission – in partnership with the community – to prepare, empower and support individuals with developmental disabilities and their families to participate fully in the life of the community.

facts & figures

- 2,500+ total clients served
- 500+ employees
- 181 individuals served in residential programs
- 11 group homes, 8 in Monroe County and 3 in Lawrence County
- 575 individuals served in lifelong learning programs
- 217 individuals receiving community employment support
- 2,595 out-patient visits provided in our Milestones Clinic
- 1.5 million dollars in revenue in Stone Belt workshops
- 20+ million dollar operating budget

specialization

We offer a full range of programs and services in Monroe, Lawrence and Bartholomew counties, empowering people to demonstrate self-determination, contribute to the building of community, and experience quality of life.

Stone Belt's services are accredited by CARF (formerly the Commission for the Accreditation of Rehabilitation Facilities). We are an affiliate of The Arc, NISH (formerly the National Industries for the Severely Handicapped) and United Way of Monroe County.

• Residential Services

Provides staffing in a variety of living situations to promote self-sufficiency, including group homes, supported living sites and respite situations. Stone Belt believes that home life must be self-directed.

• Community Employment

Assists individuals with disabilities to choose, obtain and retain employment in community settings. We believe that employment is a fundamental part of adult life. Our program provides support and training on and off the job site.

• Lifelong Learning

Provides empowered learning opportunities to enhance personal and professional growth in both classroom and community settings. Skilled instructors, partnered with service learners from Indiana University, provide hands on experiential learning with the goal of maximizing individual potential.

• Manufacturing

Provides meaningful facility-based work with competitive wages; over 30,000 square feet of manufacturing space, including a designated environmentally controlled life sciences production area.

• Milestones Clinical & Health Resources

Provides positive behavioral and psychological supports to address the mental health needs of individuals with disabilities and children. Staff include board certified psychiatrists, licensed clinicians and behaviorists. Milestones also offers nursing services, providing a valuable support to families by coordinating a multitude of services including wellness assessments and plans of care.
