

A Bright New Day

Welcome to Bright Horizons

Meet our Enrollment Manager

We hope you enjoyed your visit to Bright Horizons and thank you for considering us as part of this important decision. We would like to introduce you to our center's Enrollment Manager, Beth Paul. Beth works with a small group of Bright Horizons centers and the families that are interested in enrolling to find the best solution for each family.

Beth has been with Bright Horizons for 12 years. She has been a Bright Horizons parent and has worked with families in the Northeast her entire career. She is well versed in our program for learning, *World at Their Fingertips*, our high standards of care, and our overall philosophy. She will walk you through the next steps in the process and be your direct contact for any questions you have between now and when you start with Bright Horizons. We know this is a significant and sometimes emotional decision she is here to help. She will be reaching out via email in the next few days or you can reach her at bpaul@brighthorizons.com or 203-278-3976.

We look forward to taking the next steps on this journey with you.
