- Reminder: Parent Rep Meeting, Tuesday, 5/9 @ 12:00 PM

Vehicle Safety @ JCCC

When driving from the Health Screening station to the center, please use the route through the Support Center campus or turn right out of the warehouse and go back around the front of the building to exit at Buffington Road. For the safety of our staff members, please refrain from using the JCCC Staff Parking Lot as a “shortcut” to Buffington Road.

A soft reminder: the speed limit on the JCCC campus is 10 MPH at all times of the day. Please also exercise caution when approaching the crosswalk; the mirror posted there is an excellent tool for managing blind spots.
