

SEPTEMBER

Yellow Room

Ms. Mary & Ms. Stephanie

Hello & welcome Yellow Room families! We had such a fun summer and looking back to starting a new school year. Our monthly theme for September is **Back to School**.

We will kick off September learning about **Me and My School**. We will discuss classroom rules, learn to recognize their names and also count the letters in their names. The kids will make their own school bus's for art and focus on writing the letter A along with find different words that begin with the letter A.

The following week, students will be learning about our **5 Senses and Emotions**. Kiddos will make their own scented water colors by adding Kool-Aid to water. They will discuss how faces look when they are feeling certain emotions.

The third week, the kiddos will learn about **Fall**. We will get to pick some leaves and learn about the shapes and the colors of leaves and create fun sponge art. Also, we will count and sort acorns and get to see how colors changes when we mix them. We will also discuss about Daylight Savings and how the time changes during fall. We will get to look more closely at clocks and how they work.

The last week of September, the children will learn about **Apples and Pumpkins**. The kids will taste test different types of apples and compare their favorites and least favorites among the class. We will also learn about different emotions and make different faces on pumpkins to make Jack-o-lanterns.

Reminders:
