SUPPLEMENTAL REGULATIONS

This event is governed by the 2020 General Competition Rules (GCR) and Category Specifications, as amended for 2020 per "FasTrack".

REGISTRATION: Drivers may register online at either msreg.com/junesprints2020 or motorsportreg.com. Drivers without internet access may request a paper entry form and mail it with their entry fees to the Chief Registrar. Any check not processed by your bank will result in an incomplete entry to be resolved between the Chief Registrar or Club Office and the Driver or Entrant. Do not mail entries by any method that requires a signature for delivery. Phone / fax entries will not be accepted.

Please complete the entire entry form. Complete the Reserved Parking form to request a parking space. The biographical information is optional, but please complete it for the announcers. If you do not register on-line and mail the forms with your check to the Chief Registrar, please include your parking and race entry fees in the same check. Do not send a separate check for parking. For the 2020 Chicago Region June Sprints competitor motor home camping in your paddock space is included in the parking fee. All parking questions should be directed to the Parking Coordinator.

Sue Green, Chief Registrar

ENTRY FEES: The entry fee for the three-day weekend is \$625. Each SRF3, FE2 entry will be charged an additional \$30.00 compliance fee for the event. Each SM entry will be charged an additional \$20 compliance fee for the event.

FREE ENTRY GIVEAWAY: A free entry will be awarded to one driver registering for the event 14 days prior to the weekend. Driver name will be drawn at the event party.

ENTRY FEE PAYMENT: Credit card payment is only available to those drivers who enter online. Those who complete entry online may either supply a credit card number at that time or they may pay when they register at the track by check / money order or credit card. All online entries for which the payment is not received by 11:59PM June 4, 2020 will be charged a \$50 late fee, and there may be a delay in processing the registrations at the track. Drivers submitting paper entries, or who enter at the track may pay with a credit card, check or money order.

TEST DAY: There will be a Road America Test Day on June 11th for June Sprints event participants. This **IS** a track test day **AND IS NOT** covered under the SCCA event sanction and insurance. Register online at <https://www.motorsportreg.com/events/road-america-june-sprints-test-day-11-2020-track-592966>

PASSES: Each entry receives credentials for the driver plus up to four crew members. Additional passes (overcrew) may be purchased at registration for \$30 each. The \$30 overcrew fee is paid directly by the Chicago Region to Road America, per agreement with the track, because this is a spectator event. Minors 16 years and younger will be issued guest passes at no charge. Workers, guests, and crew must sign for their own passes and must arrive during posted registration hours. SCCA members, crew and guests who arrive outside of posted hours must purchase a spectator pass to gain admission.

DRIVER ELIGIBILITY: To participate, a driver must be a current member of the SCCA with a current SCCA Full Competition, or SCCA Pro license. If you do not have the proper license or if you are unsure, it is your responsibility to contact the Chief Registrar prior to the event.

SPEC MIATA COMPLIANCE: At post-race inspection, Spec Miata participants may be instructed by the designated Class Compliance Chief (CCC) to remove parts, including but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly of their car, as well as any resulting expenses incurred. The CCC will report any findings of non-compliance to the Race Director, who will then determine the need for a Chief Steward's Action (CSA) or Request for Action (RFA).

CAR ELIGIBILITY: Competition is open to all cars conforming to the GCR, as amended. Each car in each class is required during each of its on-track sessions to have a properly mounted and functional AMB TRANX 260 transponder or MyLaps X2 transponder. The transponder must be on and functioning for all sessions. Transponder times are the official times for all competition vehicles. The driver is responsible for providing correct information to Timing and Scoring. Please submit all corrections to name, sponsor info, Etc. for grids and results within 30 minutes of the conclusion of the second qualifying for your group to T&S. All cars are required to display Hoosier SCCA Super Tour and US Majors Tour stickers visibly placed on each side of the vehicle. Stickers are provided free of charge and are available at registration and/or tech.

DECALS: A Hoosier SCCA Super Tour decal and a U.S. Majors Tour decal must be displayed on both sides of all competition vehicles. Competition vehicles must also display the official SCCA Road Racing decal per GCR section 9.3.28.C (Figure 4.) Stickers will be provided free of charge and may be obtained at registration and/or tech. (The official SCCA Summit Racing Equipment Road Racing decal does not serve as the Summit Racing Equipment contingency program decal.)

CAR NUMBERS: For entries received by the registrar through noon on May 29, 2020, Majors Series numbers that were reserved via the Majors Series Registration prior to the opening of online registration for this event will receive priority assignment. Secondary preference will be given to 2020 CENDIV reserved number holders. Because of the combination of classes within the run groups, it may not be possible to honor reserved numbers, but every effort will be made to accommodate number requests. At noon on May 29, 2020, all unused reserved numbers will be available on a first-come, first-served basis.

TECH: A driver with a valid 2020 helmet sticker (signifying that his/her driver gear and helmet has been inspected previously in the current year) is not required to present their gear at tech. Only the helmet, logbook, and completed tech card are required to be presented at tech to receive their tech sticker. A driver whose helmet has not been issued a current year sticker must present all driver gear (as listed in the GCR), with the vehicle logbook, and the completed tech card at tech. Any car requiring an annual tech or with a logbook entry must be presented at tech, which will be located in the Hagerty Tech Center. Please allow sufficient time to have your car inspected.

SCALES: Tech scale hours are Friday 8:00AM – 12:20PM and 1:05PM-5:35PM, Saturday 8:00AM – 11:25AM and on Sunday 7:45AM – 8:30AM. Scales may be available for other participants during race impound, but priority will be given to impounded cars. Scales may be made available at other times at the discretion of the Chief of Tech.

EVENT SCHEDULE / RUN GROUPS: Class PX is currently planned for group 8. However, based on actual entries received, it may be moved to race group 7 by the Race Director without SOM action. The event schedule or run groups may only be changed by the Race Director, with agreement of the Event Chair, depending on pre-race entry counts or as needed to accommodate event circumstances. If changes are made prior to the start of the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only. Start times indicated in schedule are when cars are scheduled to be released from grid onto the track. Actual session start times may deviate from the published schedule based on event circumstances. Please listen to the PA system and pay attention to what is happening on track.

SPLIT STARTS: Split starts from any group that does not have one indicated in the schedule must be initially requested at, or prior to, the drivers meeting, for open discussion. They are at the discretion of the Chief Steward and Race Director, and the final decision may not be made until after posting the final grid for the group.

TIMED SESSIONS: For practice, qualifying, and warm-ups, the clock will start when the first car crosses the pit lane timing line. During a black flag all or red flag, the clock may or may not stop. The field will be notified on pit lane as to time remaining.

RACE LENGTH: Races for Saturday are 25 minutes. Races on Sunday will be 13 laps, except for group 7 (GT1 / GT2 / GT3 / GTX / T1 / AS), which will be 15 laps. For races restarted after halfway, the Operating Steward may eliminate the clock and declare a fixed number of laps for the remainder of the race, not to exceed the originally scheduled race distance. Drivers will be notified of this by pit officials prior to being dispatched on track for the restart.

DRIVERS MEETING: Impound all will be given at the end of the first qualifying sessions for each group to have a mandatory driver meeting at impound. Impound will be in the Tech area near the Hagerty Tech Center. Hoosier Super Tour giveaways will occur at the meeting. Winner must be present.

QUALIFYING: Drivers must qualify within 115% of their class lap record to start the race. The Race Director may waive this requirement and may allow non-qualifiers to grid behind qualifiers. See below:

GRID: Grid for the first qualifying session for each race group will be based on entry order. Grid for the second qualifying session for each group will be based on the first qualifying session. For both qualifying's, drivers and cars not in line to be gridded at the 5-minute signal may forfeit their grid position.

Starting positions for Saturday's races will be determined by the fastest time recorded from the two combined qualifying sessions per group. Starting positions for Sunday's races will be determined by the fastest time recorded from the two combined qualifying sessions and the Saturday race per group. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the operating steward, be held at pit out and released at the end of the pack after the field has completed the pace lap. If qualifying is not run for a group for any reason, the Race Director shall determine the method of setting the grid for the race.

VICTORY LAPS: Winners of all races will receive a checkered flag. For the Sunday races, following the cool down lap, the winner of each class should proceed immediately to pit out where he will receive a checkered flag and be directed on course for a single Victory Lap. Passengers are permitted in accordance with GCR 6.11.7. Drivers and passengers in open cockpit cars must be wearing helmets. Drivers shall maintain a safe speed and be wary of any safety vehicles on course.

IMPOUND: The top three competitors in each class must report to impound immediately following the completion of their cool-down lap or victory lap. All other competitors are strongly encouraged to attend the podium festivities following their race. After any session additional cars may be directed to report to impound at the discretion of the Race Director. Trophy presentations and photos will occur in the Victory Circle area.

BLACK FLAG: Vehicles which are leaking/spilling fluids, including fuel, may be black flagged from any session.

START/FINISH: The race will begin and end at the stripe in front of Timing and Scoring.

RADIO FREQUENCIES: The following radio frequencies are reserved for race operations and may not be used by any competitors. These frequencies may be monitored but shall not be used for communication by any participant. Race Officials reserve the right to designate other frequencies for race administration.

452.700	457.700	461.150	461.325	462.200	463.700	464.075
461.175	463.225	464.525	466.175	468.225	469.525	

NOISE POLLUTION/SOUND CONTROL: The maximum sound reading allowed by local ordinance is 103dB. During qualifying, if your car has a sound reading of 103dB three or more times, you will be black flagged, and lose qualifying times for that session. You may attempt repairs and re-enter, but times prior to the black flag are lost. During the race, if your car has a sound reading in excess of 103dB three or more times, you will be black flagged, and moved to last finishing position with a loss of event points. When possible, during any on-track session, in the event that your car is measured above the maximum, you may be shown a furred black flag and SOUND board with your car number. This is to advise you that your car has exceeded the limit and is not a penalty – rather, an advisory to provide an opportunity for you to address the issue. For your information, sound readings will be posted at driver information, near the gas pumps.

PACE/SAFETY CAR: In addition to GCR 6.6.2., the field shall follow the PACE/SAFETY car as long as its emergency lights are flashing, even if it varies from the normal race course. In the event a full course yellow results in dispatch of the safety car, the safety car will be dispatched to the racing surface at Pit Out. In the event of a wave-off during a start, a safety car may be dispatched from corner 5 to pick up the field.

INSURANCE: Participant insurance will be provided in at least the minimum amounts required by the SCCA.

RESULTS: Live timing will be available during the event. Live timing, and segment timing, is neither official nor protestable. Unless otherwise announced, live timing will be available at SCCA.com/Live and via the Race Monitor App available for iPhone and Android phones. Qualifying, provisional and final results will be posted at Driver Information by the gas pumps. Additionally, final results will be posted to junesprints.com and SCCA Majors websites no later than 7 days following the completion of the event.

AWARDS: Trophies for all races will be awarded according to, or exceeding, the GCR. Trophies must be picked up at driver information. No trophies will be mailed. Hoosier SCCA Super Tour points will be awarded for all races according to the GCR. CENDIV Divisional Championship Series points will be awarded per CENDIV rules.

CANCELLATION: If part of the event is cancelled for reasons of safety or for forces beyond our control as provided in GCR Appendix B 1.2.A, points will be awarded based on race grids.

UNMANNED AIRCRAFT SYSTEMS: In addition to the requirements of GCR 2.2.6, the use of Unmanned Aircraft Systems (UAS), better known as drones, must be approved prior to the event by the division Executive Steward, host region Regional Executive, and track management. Proof of insurance must be presented prior to approval.

DATA ACQUISITION: Hoosier SCCA Super Tour staff and their delegates may install data acquisition equipment in a competitor's car. This program is to assist the CRB in performance balancing. If selected, participation is not optional and is not protestable. The data collected from the device will not be used for compliance purposes. All cars carrying an SCCA data collection device shall report to impound after their session.

WELCOMING ENVIRONMENT: The Central Division SCCA and its regions aims to provide an inclusive, welcoming environment for all participants. Further, we fully support and endorse the National SCCA Welcoming environment policies. To that end, behaviors such as the following will be considered egregious examples of GCR 2.1.7, "Acting in an unsportsmanlike manner", and will be penalized as such:

1. Discriminating against, disparaging or verbally abusing a participant including track personnel because of their gender identity, ethnicity, marital status, sexual orientation, religion, age or disability;
2. Harassing, intimidating, threatening or bullying any participant;
3. Doing any of the above outside the confines of the event, or in print or electronic media, in a way that affects that person's participation at the event.

SOCIAL EVENT: There will be a Worker / Competitor dinner party at the conclusion of activities on Saturday

PADDOCK: Parking regulations are incorporated in these regulations by reference. Failure to follow the direction of the paddock marshal or his designate regarding paddock parking or activities may result in expulsion from the facilities.

GENERAL RULES:

All cars will exit the hot pits only at pit out. Those going to impound proceed to the second paddock road, turn right and head north to impound. Drivers going to winner's circle follow the directions of the pit / paddock marshals.

Drivers may be held responsible for harm to property, including damage to the track and to the environment. Fees charged for the removal / disposal of hazardous waste or used tires will be assessed to the responsible driver.

The fastest qualifier in a race group who selects the "outside pole" (per GCR), must notify the Grid Marshal at the front of the field **before** the 5-minute signal is given for his race group.

Four crew members (plus the driver) are allowed over the wall to service a vehicle in pit lane, and only two (2) crew members are allowed over the wall for signaling purposes. No crew members are allowed at the pit wall during starts and restarts.

Proper credentials, closed-toe shoes, and shirts with sleeves are required in pit lane, false grid, and on the grid.

Cars entering the track from the pits must remain to the right of the blend line until the end of that line at turn one.

All competitors must maintain a slow, prudent speed on pit lane at all times. Use the transit lane until reaching and upon exiting your pit stall. Do not drive through other pit stalls. Tire scrubbing is not allowed at any time in the pit lane and in the transit lane. Tire scrubbing is permitted after the apex of corner one.

Only pit stalls south of start/finish are open for competitor / team use.

Please do not put any equipment in pit lane, including at the pit wall, +/- 10 feet of start / finish, as this may interfere with timing and scoring electronics.

If the Race Director/Chief Steward should allow the substitution of a car or driver, per GCR 5.12.3.A.6, any qualifying times earned for the original car / driver up to that point will be removed.

A competitor involved in contact, or who has violated flag rules (yellow, black, red, or checker), must proceed directly to the black flag station or impound in the racecar at the end of the session, and report to the steward. All on-track contact (including contact during drafting) that causes a car to act erratically and result in a change of position or a car leaving the course will be investigated.

GCR Section 6.11.1.E now requires drivers involved in significant body contact to stop for review of the incident by stewards. Drivers shall satisfy this requirement by reporting to the Black Flag station on pit lane, or the Race Director or Chief Steward at impound.

Road America has installed lights at several corner stations. Full details as to location and usage will be available at registration and distributed in advance of the event.

There may be an electronic number board drivers left at corner 14 which will supplement the number board shown at the black flag station, drivers right at corner 14.

Double yellow flags will not be displayed at corner 15 on starts and restarts.

During Practice / Warm-Up Sessions, competitors will receive the checkered flag at Corner 14 and pit immediately.

Under a Checkered Flag or Black Flag ALL, if an EXIT sign is displayed at turn five, all cars must exit the course and follow the direction of officials at the paddock crossover.

To facilitate timely movement of the next race group onto the track, cars entering the pits following the checkered flag may be stopped before center pit to allow the next group to exit the grid.

All crew members signing under a prep shop list must be an SCCA member. Weekend memberships are available for purchase if needed.

Package Delivery:

Deliver all packages to:

Road America
C/O Driver/Team name and Contact Name and Cell #
N7390 Hwy 67
Plymouth, WI 53073

Packages MUST include name of recipient or team name, or delivery will be refused. All freight deliveries will be delivered to the building labeled "Shipping and Receiving". There is a \$5 fee for packages delivered to the track, and a \$50 fee for use of track equipment. No COD packages will be accepted. Packages not picked up will be returned COD only if requested by a competitor and a credit card is provided for handling.

Attached are the Road America Track rules. They are considered part of these supplementary regulations, and are enforceable as such. Special June Sprints amendments to these rules:

- i. On track hours will be per schedule and/or adjusted as needed for race operations
- ii. No race engines may be run past 15 minutes after the last checkered flag of each day or the time published in the track rules, whichever is later. However, unless directed otherwise, a competitor whose car is released from impound or SOMs after that point may restart the engine and drive directly to the paddock (unless otherwise directed), and shut off the engine for the day.
- iii. The first race group of each day may start their engines in the paddock at 7:30 AM
- iv. All competitors must vacate the premises by 7:00 PM Sunday. Unless directed otherwise, anyone involved in a tech or SOM action that will require remaining beyond 7:00 PM on Sunday must move your tow vehicle to the main paddock directly west of the tunnel prior to that time. Check with the Chief of Tech (if a tech action) or the Chairman SOM (if a SOM action) prior to moving your tow vehicle. Violators will be liable for the fees assessed by the Track.

ELKHART LAKE'S ROAD AMERICA RULES AND POLICIES

To make our facility the safest for all competitors and spectators we have put the following rules in place for everyone's safety. Please read through before your visit.

TICKETS:

- Tickets are offered at reduced prices in advance of each event and must be purchased before the posted deadline.
- Gate ticket prices are effective after the advance deadline date and are available during the event.
- Children age 16 and under are admitted free with a paying adult, but requires adult supervision and photo ID.
- Road America is not responsible for lost or damaged tickets. There are no refunds or exchanging of tickets.

STRICTLY PROHIBITED: Road America strictly prohibits the following:

- No drones or unmanned aircraft systems are allowed. Violators in possession and/or operation at any time will be subject to confiscation of their unmanned aircraft, immediate removal from the property, and further prosecution by Law Enforcement.
- Access to "hot areas" of the track or pits without the proper credentials and required clothing
- Use of illegal drugs and abuse of prescription drugs
- Firearms or weapons
- Fireworks (including firecrackers) or any type of explosive or disruptive device
- Hover boards
- Chinese Lanterns
- Loud or disorderly conduct, use of profanity, obnoxious disturbances or nuisances
- Extensive or professional sound systems
- Walking or biking on race track. If you are interested, please see our 4-miles of Fitness activity.
- Possession of drugs and/or other contraband will result in immediate removal from the property and further prosecution by local law enforcement.

VEHICLE SEARCHES: Road America staff and security officers reserve the right to search all property and vehicles entering Road America facility.

PIT REGULATIONS: Are established by the sanctioning bodies in the interest of safety and must be observed by both spectators and participating teams.

PADDOCK ACCESS: Road America and most of its race sanctioning organizations provide spectators a unique opportunity to experience race teams preparing for competition. In return for this paddock access, spectators are asked to:

- Be aware of traffic patterns within the paddock as race vehicles move to and from the pits and track
- Understand that teams and drivers are preoccupied with race preparation and may not always be available to fans

In Effect per Supplementals Sanction 20-ST-8268

ELKHART LAKE'S ROAD AMERICA RULES AND POLICIES

(PADDOCK ACCESS CONTINUED)

- Be alert to the possibility that pit vehicles carrying fuel, rescue vehicles en route to the Medical Center, or tow trucks conveying race cars through the paddock, among other situations, will require the right of way and your cooperation as they complete their missions
- Spectator vehicles, including motorcycles and bicycles, are not permitted in the paddock and should be parked in any of the nearby lots. Pets are also not allowed in the paddock.
- ***Due to safety and security considerations, NASCAR car does not allow spectators in the Garage for their events without additional credentials.***

General Pit Rules:

- **Everyone** entering the pit must show pit security the appropriate wristband or other credential each time the pit is entered
- Open-toed shoes (e.g., sandals), halter tops or other sleeveless shirts, and skirts are not permitted
- Smoking and alcohol consumption are forbidden
- Some sanctioning bodies require long pants (**no shorts**) when racing fuel is stored in the pits

PERSONAL PROPERTY AND RIGHTS:

- Road America assumes no responsibility for damage, theft, and loss of personal property.
- Please respect the rights of others.

TRANSPORTATION/VEHICLE POLICIES:

- All vehicles must be street-licensed by the Department of Motor Vehicle, have valid license plates and the driver must possess a valid driver's license to operate the vehicle on Road America's property.
- Vehicles driven after dark must have headlights.
- Please always drive carefully and observe the 15 MPH speed limit.
- Road America allows competitors and season pass holders to purchase a Pit vehicle sticker for specific events for licensed ATV's, UTV's, scooters, private golf cars. Pit Vehicles need to meet the specification outlined in the Pit Vehicle Agreement.
- Coaster wagons and strollers are allowed on the property.
- Use of Hover boards, rollerblades, roller skates and skateboards or Razor scooters are not allowed on Road America property.
- Free shuttle service to most spectator areas is provided during all major spectator events. Times may vary, please check the schedule.

In Effect per Supplementals Sanction 20-ST-8268

ELKHART LAKE'S ROAD AMERICA RULES AND POLICIES

PARKING:

- Free general parking outside of the paddock is available on any open grass areas that are not designated for camping, vendors, hospitality, etc. For specific events, parking will be limited and parking attendant will direct you accordingly.
- Service roads are provided throughout the grounds so that spectators may move to other areas and view the racing from various locations. For specific events, parking will be limited and parking attendant will direct you accordingly.
- Preferred parking, located near the paddock tunnel, is available during major public events for \$25 for the weekend.

SEATING:

- Road America does not have reserved seating.
- There are grandstands, as well as benches built on the hillsides, that are available on a first-come, first serve basis throughout the property.
- Road America may mark specific areas reserved for sponsors, hospitality, or sanction groups and spectators are asked to respect their privacy.
- You are welcome to bring a chair or blanket and watch the racing at any of the fan-friendly vantage points along the four-mile course.

TAILGATING:

- Road America provides a picnic setting for traditional tailgating. Bring your own grill and tailgate but be aware that large party tents are only allowed by pre-arrangement.
- DO NOT throw hot coals on the ground. This can cause fires and destroy the grass. Please completely extinguish coals or ashes before placing them in containers clearly marked for that purpose. These might only be found in camping areas so be prepared to take them with you if those containers are not available.
- Vehicles pulling a trailer are not allowed on Road America property, call administrative office for an alternative parking area.
- In setting up your tailgate party, please don't block the sightlines of other spectators, don't drive stakes or poles into any asphalt surfaces, and don't tamper with electrical outlets;
- Unless you have camping privileges, you have to be off the grounds within a half-hour after each day's final checkered flag.
- Any E-Z Up's or frames that are left on property over night will be taken down by Road America staff.

COOKING FIRES:

- Open fires are prohibited, but your grill or other above-ground barbecue devices are okay as long as it is not left unattended.
- High winds and/or dry conditions can force a temporary ban on all fires, as determined by Road America security.

In Effect per Supplementals Sanction 20-ST-8268

ELKHART LAKE'S ROAD AMERICA RULES AND POLICIES

- Don't use gasoline to light fires
- Burning of trash is prohibited

(Cooking Fires Continued)

- Fires must be completely extinguished before discarding coals or ashes in containers clearly marked for that purpose
- Road America staff, security officers and safety personnel reserve the right to instruct spectators to extinguish any fires too large or that threaten spectators.

PICNIC TABLES:

- Are for everyone's use—please do not move the tables.

PETS:

- Pets are the responsibility of the owner. Please be courteous and clean up after your pet.
- Pets must be kept under the control of a leash or kept in your vehicle with adequate ventilation and water.
- Pets are not permitted in the paddock areas during spectator events or any buildings.
- Management reserves the right to restrict disruptive or exotic pets.
- If your pet disrupts or causes harm to another individual, it will be grounds for removal of you and your pet from the facility without a refund.

SCENERY: There are more than 20 different species of wildlife located on Road America property. The State of Wisconsin has fines for those who destroy wild flowers, trees, or harm wildlife. Enjoy what is around you—take only what you brought.

RESTROOMS: There are several permanent restrooms on the property as well as portable bathrooms throughout the facility.

CONCESSIONS: There are 14 concession stands located throughout the property serving a wide variety of food and beverages during major public events.
