

Amsterdam Zuid

Openbaar vervoer op dit station *Public transport at this station*

The image is an aerial view of the Amsterdam Zuid station area. It shows the railway tracks with several trains, including a yellow and blue high-speed train. To the left of the tracks is a road with cars and a tram. To the right is a large building labeled 'WTC'. In the foreground, there are green spaces with trees and a parking area. Various transport icons are placed throughout the image: a train icon near the tracks, a bus icon near the WTC, a tram icon near the bottom left, a taxi icon near the bottom right, and a bicycle rental icon near the center. Numbered circles (1-4) are also present, indicating specific service points. Labels for metro lines (M50, M51, M52) and their destinations (Gein, Centraal Station, Noord) are shown. A 'kiss & ride' area is marked near the bottom left. The name 'Gustav Mahlerplein' is visible at the top left.
