## Experience

01.2022–04.2022

### ArtCenter College of Design

Pasadena, CA

Teacher's Assistant

Responsible for assisting professor Michael Neal in Graduate Seminar 4, which focused on developing presentation skills. It included taking attendance, encouraging student participation, and providing help and guidance.

09.2020–12.2021

### Roma Leaf

Studio City, California

Freelance Graphic Designer

Responsible for managing all design projects for this hemp focused health brand. It included creating branding, social media content creation and development, and print. Other responsibilities included creating original artwork and collaborating with freelance creatives on projects.

08.2019–05.2020

### Ikon Media Agency

Calabasas, California

Part-time Graphic Designer

Collaborated with the creative team to create visual content for the agency's clients. Developed assets including mood boards, logo designs, and social media content, print and graphic packages for Budtender Awards, CannaPaid, and Wyndham Grand Belize.

05.2017–08.2018

### Woodbury University

Burbank, California

International Peer Advisor

Assisted new students to become accustomed to living in the United States, including planning and executing events and advising them individually.

## Education

04.2022

### ArtCenter College of Design

Pasadena, California

Master of Fine Arts in Graphic Design

MEthru LA is my thesis project that addresses a societal problem embedded within Los Angeles, rush-hour traffic. By using design as a tool to communicate to the general public, my project would convince Angelinos to use an alternative method of transportation to ease traffic congestion.

05.2020

### Woodbury University

Burbank, California

Bachelor of Fine Arts in Graphic Design
