LA PHIL IN THE COMMUNITY

The LA Phil has a long-standing commitment to the education of current and future generations of concert-goers. More than 150,000 benefit each year from our concerts for schools and families, in-school residencies, training for young composers, free neighborhood concerts, pre-concert lectures, and more. YOLA (Youth Orchestra L.A.) – inspired by Gustavo Dudamel’s artistic vision and experience in El Sistema – works with community partners to provide free instruments and high quality music instruction to children in under-resourced areas of Los Angeles. Your ticket purchases and donations help to ensure the future of these programs and more. Details at [laphil.com/learning](http://laphil.com/learning)

The Los Angeles Philharmonic Association thanks the Los Angeles County Board of Supervisors for its valued cooperation in continuing to bring great music to the people of Los Angeles: Kathryn Barger, Fifth District and chair; Hilda L. Solis, First District; Mark Ridley-Thomas, Second District; Sheila Kuehl, Third District; Janice K. Hahn, Fourth District. The Hollywood Bowl thanks the Los Angeles County Metropolitan Transportation Authority for its support of the Park & Ride program, and our many sponsors and donors for their generosity. The Music & Artistic Director Chair held by Gustavo Dudamel is endowed by a gift to the LA Phil from the Walt and Lilly Disney Foundation. The Creative Chair for Jazz held by Herbie Hancock is endowed by a gift to the LA Phil from William Powers and Carolyn Powers.

# HOLLYWOOD BOWL

An artistic illustration of the Hollywood Bowl at night. The Greek Theatre is depicted with a warm, golden glow, contrasting with the deep blue and purple night sky. Several palm trees are silhouetted against the sky, and a few stars are visible. The overall style is reminiscent of mid-century modern graphic design.
