

# Bright Horizons at Wellesley

## CENTER AND PROGRAM HIGHLIGHTS

- ▶ On-site playgrounds for Infants, Toddlers, and Preschool/K-Prep
- ▶ Enhanced Health & Safety Protocols created with guidance from the Centers for Disease Control, direction from state and local public authorities, and in partnership with Dr. Kristin Moffitt, a pediatric infectious disease specialist at Boston Children's Hospital
- ▶ Thoughtfully created environments for children
- ▶ Research-based World at Their Fingertips® curriculum meets children where they are developmentally, with Signature Practices that build confidence and excitement about learning at every age and stage
- ▶ Virtual enrichment activities
- ▶ Parenting webinars, podcasts, weekly newsletters, and more to keep parents supported and connected
- ▶ My Bright Day® mobile app to keep you connected throughout your child's day with photos, real-time updates on care, learning, and milestones, and important notifications.
