Questions & Answers

Will families be transitioned into the same building?

Yes, our goal is to keep families in one building, if feasible. This re-organization will take place during the annual August Transition.

Will the wait list be cleared after the new building opens?

We have two different wait lists- "*Active Wait List*" and the "*Extended Wait List*". Once the new building opens, the "Active Wait List" will be cleared. However, we also have families who have decided to opt for a later start date, and will be placed on the "Extended Wait List".
