Monthly Attendance Awards

We continue to track our attendance percentages for each classroom and for the school. We understand that sickness occurs, especially at this time of year. However, we want students to be at school, when they are well. It is important for your student to attend school so they can continue to grow as a student.

Our school goal is to have 97% attendance each month and for the entire school year. In August, our percentage was 99%. In September, our school attendance rate was 97%. In October, our school attendance rate was 95.8%. Our goal for each month is 97%!

Each month, the class with the highest percentage gets an incentive. We also randomly choose one K-2nd student and one 3rd-5th grade student who receive a certificate and a prize.

Holiday Program

The CCUS Holiday Music Program is Tuesday, December 12th in the CCUS gymnasium. We hope that your student is able to attend to showcase everything that they have learned.

Home/School Connection: After-School Questions:

"Describe a book you enjoyed today."

- This gives you an idea of what your youngster prefers to read. Then, build a daily reading habit by asking what he'd/she'd like to read tonight. Encourage his/her reading and listening skills by reading aloud to him/her and letting him/her read to you."

Generosity

"Making someone's day by giving something away."

CCUS will be discussing generosity all month long and how we can give to others and support one another.
