

INTRODUCING THE **BRIGHT HORIZONS®** STUDY CLUB!

In-Center Supervision for School-Age Children Attending Virtual School

COVID-19 has changed so much for working parents, with many now managing work, child care, and school all on their own. Study Club is one of the many ways we're responding – designing safe, creative approaches to care and learning for children of all ages, giving families the help they need right now.

Ages: 6-12

What's included:

- Dedicated space for your child to attend their online classes
- Teacher oversight of your child's virtual learning experience
- Supplemental activities including STEM, art, and movement
- Limited enrollment to support physical distancing
- Enhanced health & safety protocols are in line with recommendations provided by the CDC and requirements of state and local municipalities.

The place for kids to do their work – so you can do yours.

Enrollment is for full-time only from January 2021 - June 2021, Monday - Friday 7:00 a.m. – 6:00 p.m. Students must bring their own devices, their login information and required school materials. Priority given to siblings of currently enrolled children.

**Join us for a virtual information session to learn more about Study Club
October 20, 2020, at 11:00 a.m.**
