Enrollment Waiting List Policies and Procedures**

Child's First Name: _____ Last Name: _____ Date of Birth/Due Date: _____

When your \$25 **per child** fee, pre-enrollment form and waitlist policy and procedure form is received, you will be placed on a waiting list. You will be contacted regarding the availability of space and the enrollment process. Prior to enrollment, a member of administration will schedule a time for you to meet with your child's primary caregivers to learn more about the program and develop a transition schedule for you and your child.

Please initial each statement to indicate that you have read and discussed it with a member of the Cornell Child Care Center staff:

_____ The Cornell Child Care Center is currently full. There are no spaces immediately available at the Center.

_____ To join the Enrollment Waiting List, families must complete a pre-enrollment registration form and submit a \$25 non-refundable registration fee **per child**. This fee in conjunction with the registration form and this signed document guarantees the child a spot on the waiting list.

_____ Children are placed on the waiting list based on the date their application is received and move up the waiting list as spaces become available in their age group.

_____ The \$25 non-refundable Enrollment Waiting List deposit **does not guarantee** a child a spot at the Cornell Child Care Center. It is possible that the number of children exiting the center will remain lower than the number of children awaiting placement.

_____ It is the responsibility of the family to provide Cornell Child Care Center with updated information any time their contact information (address, phone number, and/or email address) changes, so that the Center can contact them should an opening arise.

_____ Families are welcome to contact the Center periodically by phone or email to obtain updated information about their child's placement on the waiting list.
