BOO-tober!!

YELLOW ROOM

MS. DIANA & MS. VIVIANA

Checking 1, 2, 3

Hello Yell-ow Room Families! We are now in the second month of the new school year. How exciting!

To kick it off we will be learning about outer space!

The kiddos will learn about constellations, stars, astronauts, planets, and the moon! We will get to write in moon dust, make our own spaceships, experiment with exploding planets, and much more!

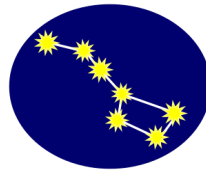

The second week will

be all about fire safety! A few of the fun activities include getting to paint flames using marbles, creating a fire truck, and most importantly practicing how to stop, drop, and roll.

The third week is all about bedtime routines and nocturnal animals. The kiddos will get to practice their bedtime routine. They will also learn about owls, bats, and raccoons as well as make a handprint owl, fingerprint bats, and heart raccoons.

The fourth week is about our community! We will learn about community helpers and have fun activities planned such as a post office dramatic play area and making traffic light cookies!

The last week is all about one of our favorite days... HALLOWEEN! We will be making a spider puppet, puffy ghosts, mosaic pumpkins, mummies, and a spooky collage using fun Halloween foam stickers. We will also get to explore a pumpkin up close and personal. October has so many fun things planned and we are so excited!

Announcements

Parents! Please remember to sign in/out your children. Thank you!

Picture Day: October 15th & 16th

Voting for the Pumpkin Decorating Contest: October 28th-31st
