

SCIENCE Rocks

AT BRIGHT HORIZONS

Join us for our Preschool & Kindergarten Prep Science Fair!

Join us for an interactive explore and experiment Science Fair with each classroom representing a different branch of science. You can explore the science far at your own place with a guide and scavenger hunt!

Learn more about our *Science Rocks* curriculum and find out how we encourage children to question, experiment, observe, and use the scientific method each day.

Bright Horizons at Harrison Park
Tuesday April 23rd, 2019

4:00 PM - 6:00 PM

Bright Horizons at Harrison Park
