August 2019—Incredible Imagination

Hello August and **Blue Room** families! We hope everyone is having a fun summer! Join us in welcoming our new families! **Welcome** to our Academy Preschool Family, Victoria Florez Alvarez, Jackie Gresik, Victoria Rose Orozco and families. Let's say **hello** to our new Blue Room Friends, Luca Arbucci, Harrison DeArman, Olive Lomas, Akhenaton Pappoe, Jagger Robinson, and Bryce Utterson ! Before we jump into the awesome activities we have planned for the month of August, we would like to remind you to please bring a water bottle for your child. Letter of the Week **share days** are on Thursdays and Fridays. In addition, please apply a layer of **sun block in the morning before drop off** as we do step out on the playground area for outside time and My Gym. It is HOT HOT HOT! We will stay cool with our upcoming water day. Please take a look at the upcoming **stars of the week**, it may be your child's time to shine! At the end of the month, **The Academy at Pasadena will be closed, August 30th.**

RAWRRR, Let's stomp into the first week of Incredible Imaginations with **Dinosaur week**. We will start the week off with dinosaurs eggs as we will open and close Dino eggs to reveal a letter of the alphabet. Throughout Science and Math centers, we will count leaves and feed the Brontosaurus. Children will also make a dinosaur silhouette and use watercolors to reveal a dinosaur fossil. In addition, we will learn the difference between carnivores and herbivores.

Yee— Haw everyone! It's time for the Wild Wild West. Step into **Wild West Week** with your boots on. Throughout the week, we will learn and talk about Cowboys and Cowgirls, Sheriffs, Horses, and Cows. Our children will pretend to live and work on a ranch as Cowboys and Cowgirls. We will round up shapes by color sorting various shapes and pretend to brand a cow by writing the uppercase letter on to the side of the paper cow. We will play Cowboy Bingo and make Sheriff Badge at art.

Beep Boop Beep Boop. Inventions and Robot's week is filled with so many goodies and fun ways to remember we can make anything! So keep those thinking caps on for **Invention and Robot's week**. We will start the week off with learning about the many inventions of Benjamin Franklin. Followed by Robots and Albert Einstein, the invention of the camera and television, invention of the phone, and invention of electricity and light! We will practice identifying numbers by calling 911 and our parents on a large telephone taped to the wall. We will mold and light up conductive play dough with the assistance of a teacher. We will also talk into a phonetic phone to practice the sounds of the alphabet while hearing ourselves say the sound.

Come ONE, come ALL to the Blue Room **Circus and Carnival week**. We will do all things circus and carnival related such as eating popcorn, counting popcorn, and matching popcorn images to the beginning sound of the image. During art we will make a paper plate clown, cotton candy puffy painting, and decorate carnival balloons with shapes! Incredible Imaginations is filled with so much creativity and FUN!

Star of the Week:

Wk 1 (8/5-8/9): Selena

Wk 2 (8/12-8/16): Sora

Wk 3 (8/19-8/23): Demian

Wk 4 (8/26- 8/30) :

Victoria Alvarez

REMINDERS

August 20th: Water
Day

August 30th: The
Academy is CLOSED

Letter of the week:

Wk 1 (8/5-8/9): R r

Wk 2 (8/12-8/16): S s
