EDUCATION

• **Art Center College of Design**
2015 FALL - Present
BS, Product Design
Minor, Designmatters
Minor, Business

• **University of California, Los Angeles**
2018 Summer
Innovative Medical, Collaborative Studio

EXPERIENCE

• **Noto Design, Germany** / *Industrial design intern*
Sept. 2019 - June. 2020

Work closely with senior designers on more than six different projects
for clients like Bang & Olufsen, One Plus, and Satisloh. Focus on concept
development, R&D, rendering, UX and 3D modeling to production.

• **1st Republic Bank Studio, CA** / *Sponsored studio*
Apr. 2019 - Aug. 2019

In a studio sponsored by 1st Republic Bank, we create a physical and digital
future banking experience. My role includes strategic research, concept
development, prototyping and rendering.

• **UCLA Innovative Medical, CA** / *Collaborative studio*
May. 2018 - Sept. 2018

In a collaborative project with UCLA Grad business and medical school, we work
closely with physicians and patients on medical innovations. Our team create a
medical platform and develop it into a start-up project.

• **MIT-CHIEF, MA** / *Coordinator* / *Aug. 2020 - present*

Work as a part-time coordinator at the Massachusetts Institute of Technology
China Innovation and Entrepreneurship Forum, we bridge resources and
facilitate events about innovative technology and business.
