Rocky Mountain Division Championship rules and Class rules can be found at <http://www.coloradoscca.org/rulesforms.php>.

PREFERRED NUMBERS: Majors Conference Preferred Numbers will be honored until 14 days prior to the event. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request. In all regional and/or vintage classes, preference will be given to numbers assigned through the Rocky Mountain Division numbering program. Unreserved numbers are on a first-come, first-served basis. All numbering assignments are subject to race group configurations.

TECH: Tech inspection hours are posted on the event schedule.

- A. Express Tech is available for drivers with both a current annual tech and a current year helmet sticker. Drivers should bring their vehicle logbook and registration credential to get their event stickers.
- B. Drivers without a current year helmet sticker must present all driver gear as required by the GCR, vehicle logbook, and registration credential to Tech. If your car requires an annual tech, you must also bring the car to tech. An event tech sticker will be issued after everything is examined and approved.
- C. The order of inspection at the track will be:
 1. Express Tech
 2. Re-inspection, logbook notation
 3. Annual inspection
 4. Cars with no logbook (new or lost logbooks)
- D. Competitors needing Annual inspections or New Logbooks must make prior arrangements with the Chief of Tech to have these items performed by tech personnel at the track.

SPEC MIATA COMPLIANCE: At post-race inspection, Spec Miata participants may be directed by the designated Class Compliance Chief (CCC) to remove parts, including but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly, as well as any resulting expenses incurred. The CCC will report any findings of non-compliance to the Race Director, who will then determine the need for a Chief Steward's Action (CSA) or Request for Action (RFA).

SCALES: Scales will be available each day from 8:00am until the end of competition, except during impound. Driving on or off the scales is prohibited unless otherwise instructed by Tech personnel. Motors must be turned off and competitors and/or crew must push cars on and off scales.

EVENT SCHEDULE / RUN GROUPS: The event schedule, configuration, or run groups may be changed at the discretion of the Race Director, in cooperation with the Region's representative. If changes are made, as much notice as possible will be given to all competitors. Schedule times are provided for planning purposes and are approximate. The PA system may be difficult to hear in some areas of the paddock, so please monitor the PA system and pay attention to what is happening on track.

- A. Warm up sessions, if any, will be untimed.
- B. All Majors and Regional Races will be based on the time indicated on the schedule.
- C. The official clock starts with cars on course, per the session start times indicated on the schedule.

TIMING AND SCORING: All cars are required to use fully operational AMB transponders, and the driver is responsible for providing correct information during registration. Unless otherwise announced, live timing will be available via the Race Monitor App available for iPhone and Android.

- A. Non-operational transponders or missing transponder information may not be scored for the event.
 - a. A limited number of transponders may be available for rent at the rate of \$80.00 for the weekend, along with a \$500 retainer on a valid credit card.
 - b. A competitor needing a rental unit should make those arrangements at the time of entry submission.
- B. The clock will continue to run during all flag conditions, with the exception of the red flag.
- C. Personal timing beacons are not allowed within 20 feet of the T & S system, or across track from start/finish.

GRID: Starting positions for the first race each day will be determined by the fastest time recorded for each car during the preceding qualifying session. Starting positions for the Sunday race will be determined by the fastest time recorded for each car during any of the preceding qualifying session(s) or the fastest lap during the Saturday race. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

- A. Crew / Guests must leave the grid at the one-minute warning.
- B. Drivers are prohibited from scrubbing tires in the paddock, grid, pit out and hot pit lane. In addition, drivers are only permitted to scrub tires on the course, while under control of the pace car or if no pace car is being used, during a full course yellow status on the course.

SPLIT STARTS: The Race Director will consider requests for split starts and may authorize such based on qualifying times.

IMPOUND: The top three competitors in each class shall report to impound immediately following the completion of their race. Trophy presentations and photos will occur in the Victory Circle area near impound following the race. All other competitors are strongly encouraged to attend the podium festivities following their race.

DESIGNATED INCIDENT INVESTIGATION SITE

- A. If a driver is involved in significant body contact, the driver and car shall stop at the designated incident investigation site for a review with the stewards before going to their paddock area.
- B. The designated incident investigation site for Pueblo Motorsports Park is in pit lane immediately before the start/finish timing line.
- C. "Significant body contact" includes, but is not limited to: Contact resulting in 2 or 4 wheels off course, spins, loss of position, or damage to suspension or bodywork.

VICTORY LAPS:

- A. Winners of Majors races will be awarded a checkered flag for Sunday's Race.

- B. Following the cool down lap, designated winners will receive a flag and be directed on course for a single Victory Lap. Drivers need not wear their helmet or gloves during the victory lap and passengers are permitted in accordance with GCR 6.11.7. Drivers shall maintain a safe speed and be wary of safety vehicles that may be on course.

RESULTS: Qualifying, provisional and final results will be posted at Registration / Hospitality. Additionally, final results will be posted to the Continental Divide Region and SCCA Majors websites no later than 7 days following the completion of the event.

AWARDS: Trophies for all races will be awarded in accordance with the GCR. Trophies will be presented at the event. Majors points will be awarded for all races in accordance with the GCR.

FLAGGING:

- A. GCR 6.1.1 flag rules apply to all sessions
- B. BLACK FLAG station is at corner station 6
- C. For practice sessions, a CHECKERED FLAG signaling the end of the session may be displayed at BOTH Start/Finish AND Corner 6. Cars receiving the Checkered Flag at Corner 6 must proceed directly to the pit lane/paddock
- D. Last lap may be a waiving white flag or "1 to go" sign at start/finish.

PACE / SAFETY CAR: In addition to GCR 6.6.2., the field shall follow the PACE/SAFETY car as long as its emergency lights are flashing, even if it varies from the normal race course. In the event a full course yellow results in dispatch of the safety car, the safety car will enter the racing surface at pit out.

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be taken to impound and will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

SOUND CONTROL: A maximum limit of 103dB is in effect for this event. Sound control will be located at turn 8. Sound readings will be posted at Hospitality.

RADIO FREQUENCIES: The region frequencies below shall not be used for communications by any participant.
