

SALT & FIRE

THE WINE KNIGHTS

The story begins back in the early 2000's where long winter nights were spent in St Johann in the Austrian Alps. Wood was crackling in the fireplace, beef was sizzling on the wood fire grill and hints of fine aromas were permeating our senses from the wine decanter.

Salt & Fire emerged.

Our special wood fire grill travelled a couple of thousands of kilometres from St Johann to St. John Nicosia. Two decades later the passion to recreate and share those memories for all steak lovers was instilled and finally brought to fruition in 2019.

Driven by simplicity and the finest ingredients our philosophy at Salt & Fire is to revive that feeling of warmth and familiarity we experienced all those years ago.
