EXPERIENCE

DiDi AI Labs   **Product Design Internship**   *Beijing, China*   09.2019 - 12.2019
• Worked with product managers by researching, designing, and prototyping voice user interfaces(VUI) for the identified user scenarios for the driver-to-passenger communication in the riding experience.
• Worked with the engineer to revise in-vehicle VUI.

Tencent Video   **Graphic Design Freelance**   *Beijing, China*   11.2020 - 12.2020
• Created data visualization for Tencent Video's 2020 annual index report for digital and physical publications.

The Future Laboratory, Tsinghua University   **User Interface Design Internship**   *Beijing, China*   06.2021 - 08.2021
• Designed a user interface for the integrated autonomous transportation management system.
• Create a visualization measure tool of human factors engineering data for cruise ship interior design.

NIO   **Sponsored Studio Project**   *Remote*   09.2021 - 12.2021
• Worked remotely with 3 designers of different majors to deliver a future joyful automobile experience for their customers and receive highly favorable responses from the sponsor.

Koenig & Bauer   **Sponsored Studio Project**   *Pasadena, CA*   01.2022 - 04.2022
• Designed an innovative banknote concept with a mobile application to empower the society for a sustainable future, and received positive responses from the sponsor.

ArtCenter College of Design   **Teacher Assistant**   *Pasadena, CA / Remote*   2020 - 2022
Persuasive Sketching 1
Gigabyte Technology sponsored studio
ACTXLAB studio collaborating with Tsinghua University

• My responsibilities as a teacher assistant for each 14-week course include providing design feedback for student projects and assisting with course-related information communication and class arrangement both online and in-person.

Project Nous (Nonprofit)   **Visual Design Volunteer**   *Remote*   09.2021 - Present
• Designed physical and digital marketing materials including posters and banners for different events.
• Created UI design for Wechat mini program for camp sign-up and class management.
