Purple Room

SEPTEMBER

Welcome to the new school year and to Purple Room to all our new families!

We will kick off the month of September with a week dedicated to your kids and to some of the fundamentals! We will be working on writing our names, practicing counting to 10, reviewing the alphabet and beginning to write it, learning how to use primary colors to make secondary ones, painting with bubbles and marbles,, etc.

The following week will focus on our 5 senses. The children will learn how each sense works through observing sensory items, having taste tests, playing sound recognition and "I Spy" games, and experimenting with materials that display different textures.

During the third week of September our attention will shift to the season of fall. The kids will make patterns with colored leaves, paint coffee filter leaves and use them to make wreathes, paint trees with balls of foil, and even get to go on a leaf hunt outside in order to learn about and discuss different types of fall leaves!

The last week of the month, we will learn about different countries of the world. We will travel to England and practice using proper English and eating finger foods, explore Korea and its traditions, see China and read about its history, and finally, hop over to Italy and see famous landmarks.

So much fun and learning is going to take place this month, and if you would like to contribute in any way please feel free to approach us and we can find a way to do so!

Love,

Ms. Becky & Ms. Kat
