# MEET OUR DIRECTOR

## Sharla Robles

Sharla has worked with children and families as Director at Bright Horizons since 2006. In her spare time she enjoys spending time with family and working in her butterfly garden.

---

Our staff is made up of experienced educators who are trained in health, safety, and security procedures, and comply with enhanced health and safety guidelines.

# ENHANCED HEALTH & SAFETY

Our enhanced COVID-19 protocols ensure that our health and safety practices are informed by guidance from the CDC and state and local municipalities, and have the well-being of children, families, and staff at their core. These include:

- Reduced class sizes
- Consistent groupings in separate classrooms
- Daily health screen and temperature checks
- Social distancing as much as possible
- Face masks/coverings for all center staff
- Frequent cleaning and disinfecting

# KINDERGARTEN CLASSROOM

Kindergarten is an exciting step in your child's school journey, but right now, it may be a scary step for you as a parent. We want you to know that we are here for you with our enhanced health and safety protocols, experienced and trained teachers and our outstanding curriculum. We'll make sure your child leaves us excited about learning...and confident about the big leap to public school.

# MEET OUR KINDERGARTEN TEACHERS

What our parents had to say about Ms. Valeria and Ms. Shannon-

Ms. Valeria

- We were truly delighted with how our son was embraced, nurtured, and supported by Miss Valeria. He woke up every day excited to go to school. She took an interest in helping him and he excelled both academically and personally and is more than ready for the next grade. I couldn't think of a better teacher and experience to get him ready for elementary school. We couldn't be more pleased with Miss Valeria's teaching and the nurturing environment she created in her Kindergarten class at Bright Horizons.
- Our daughter thrived under Shannon's fun and caring personality. We really appreciated Shannon's open communication (the daily sheets were great!), activities to teach cultural inclusivity, and sincere love for the education and well-being of the children in her class.

Ms. Shannon

# PLAYGROUND

- Three separate play yards, a garden area for planting, all three playgrounds shaded in a park-like setting.
- Limited to one group at a time
- Equipment sanitized after each use

*"There's not a minute I worry. I never say 'I hope she's ok,' because I know she's ok. She's happy when I drop her off, and happy when I pick her up."*
