SOUND CONTROL: The sound limit for this event is **103 db**. Sound readings will be taken and recorded driver's left, front straight, after the tower. Local sound rules require that any car having a reading over 103 db will receive a closed black flag and an "S" sign. At the **second reading** over 103 db, the car will be black flagged and brought in for repair. After repair, the car may go out again. Any subsequent reading over 103 db, the car will be black flagged and not allowed to return to the track.

RESTRICTED REGIONAL ONLY

DRIVER ELIGIBILITY: The Restricted Regional drivers must have a current SCCA Full Competition License, or an SCCA Pro License, or an SCCA novice permit with completed driver's school. All other licenses listed in the GCR Appendix C, 2.8.B are not accepted.

CAR ELIGIBILITY: The Restricted Regional is limited to cars in the following classes: GT1 GT2, GT3, GTA, SPO, T1, AS, ASR, ITO and FF (F1600), and FC (F2000). There will be only **two race groups**.

ENTRY FEE SCHEDULE: The entry fees are below. MSR is the primary way to register:

Track Trial 2 Days	\$275
Track Trial 1 Day	\$175
V8 RRS two races	\$325
Southern Formula Car two races	\$300

START/FINISH/TIMING : All timing and scoring plus start/finish is at the Tower on the front straight. Working AMB transponders are required. A "T" board may be used to notify drivers of a transponder failure.

Qualifying: The Saturday grids will be based on the Saturday Qualifying Session times. The Sunday race grid will be based on the best times of a Saturday Qualifying Session, Sunday Qualifying Session, or Saturday fastest race lap time. A car may be shared during the weekend, but grids are based on car/driver combination.

On Track Body Contact : All on track body contact (including contact during drafting) that causes a car to act erratically and result in a change of position or a car leaving the course will be investigated.

Safety Car: During a full course yellow condition the safety car may be dispatched with its lights flashing to pick up the leader. As long as the safety car lights are flashing the field shall follow the safety car, even if it enters and exits the pits.

Car Numbers: The SEDIV 2019 permanent numbers will be assigned to entries received prior to the Sunday before the event.

Tech/Impound: The top (3) positions in each class will be required to report to impound after the races, will be weighed, and additional inspections may be required by the Chief Steward. Cars running any SARRC class must have the SARRC decals displayed, and the SARRC patch must be on the driver's suit. V8 Road Racing Series drivers are encouraged to display the series decals on their cars.

Results/Awards: Qualifying times and provisional results will be posted on the bulletin board at the paddock entry. Official results will be posted on the SARRC website www.sedivracings.com. Drivers may receive both 2020 SARRC and 2020 V8RRS points for these races. GT3 drivers may only be awarded SARRC points. F2000 and F16000 drivers will receive 2019 Southern Formula Car Series points and 2020 SARRC points,

TRACK TRIALS ONLY

DRIVER ELIGIBILITY: All Track Trials drivers must be SCCA members and must hold a SCCA Time Trials License or Time Trials Novice Permit. Also eligible are SCCA Club Racing Competition Licenses or Club Racing Novice Permit, as well as competition licenses from other sanctioning bodies per the 2019 GCR .

MANDATORY Meetings: All TT Novice License holder drivers and others who have never driven Roebing Road must attend a brief orientation session on Friday evening with the TT Driver Coach. At the Saturday morning meeting the Chief Steward will announce the run groups and the Driver Coach will offer additional guidance.

CAR ELIGIBILITY: This event is open to all national TT classes (TTN) as well as the TT Restricted classes (TTR), also known as the SEDIV Legacy classes. TTN cars and TTR cars will NOT be on the track at the same time. SEDIV Time Trials reserved numbers will be held until November 1. Otherwise numbers will be issued on a first come basis. For two driver cars add the numeral "1" to the primary driver's number. Refer to the TTN car classing information on [SCCA.com/Time Trials](http://SCCA.com/Time%20Trials). The SEDIV 2019TTR rules can be found on Facebook at the SEDIVTT site.

TT DRIVER SAFETY EQUIPMENT: All helmets must be SA2015, SA2010, SAH2010, SA2005, or SFI standards 31.1A, 31.2A, or FIA standards. M-rated helmets will not be allowed for TT. Gloves and shoes of leather or fire-resistant materials and fire-resistant socks are required. Window safety nets or arm restraints are required.

TRANSPONDERS AMB transponders are required for all Time Trial entrants for this event and must be installed and working for each session. If you do not have an AMB transponder, please contact Trackside Tim's in advance at 800-247-4260 or <http://www.tracksidetim.com>.

START/FINISH: Start and finish is at the tower on the front straight. Timing and Scoring is located in the Tower on the front straight, second floor. All laps are timed and scored at the Start/Finish line. Transponders will be used for Timing and Scoring of Track Trials.

TT TECH: All driver and vehicle safety equipment must meet current GCR and/or TTN or TTR (Hillclimb standards) specifications. Cars must re-inspected by Chief of Tech if involved in an incident or if the vehicle is reported as leaking any fluids. Safety gear must meet GCR , TTN or TTR requirements depending on class. All entrants must have a vehicle logbook complete with pictures and log book number. Please fill in the date and event name prior to visiting tech. Arm restraints are required on all open cars. Cars needing an Annual Inspection must be brought to Tech with the vehicle logbook, a Tech Card, and driver safety gear. Drivers with cars with a current Annual Tech need only present their vehicle logbook and driver safety gear and Tech Card.

POINTS: This is a double TT points event. TT points will be awarded separately for Saturday and Sunday based on times for each day. Trophies will be awarded based on the best time for either day. There will be one first place trophy for each class for the weekend provided there is more than one car running in the class.

PASSENGERS: Passengers are NOT permitted in any racing vehicle unless approved by the Chief Steward.

PASSING: There will be multiple cars on the course at any given time. Passing will be allowed on designated straights with a point by from the driver being overtaken. The overtaking driver shall not pass without a "point-by" from the driver being passed. Passing shall be started and finished within the designated passing zones as shown herein. The beginning and end of the passing zones will be marked by cones. Three passing zones will be used. Passing zones will be marked at the start and end by cones. They will be the front straight from Station 9 to Station 1, between Station 2 and 3, and after Station 7 to 8. **Specific instructions will be given at the MANDATORY Driver's Meeting.**
