

ALBA

R E S T A U R A N T

CONCEPT

Alba is our personal vision of Japan — inspired by its flavours, shaped by its spirit, and brought to life in our own way. We take what moves us most in Japanese cuisine — its precision, its seasonality, its quiet beauty — and reinterpret it through thoughtful combinations, global influences, and a sense of creative freedom.

Every dish reflects how we feel Japan, not just how we see it.
