Education

Bachelor of Science, Product Design
ArtCenter College of Design, Pasadena, CA

Anticipated 2022

Experience

Teaching Assistant - Graduate Typography I

ArtCenter College of Design

Sep 2022-Present

Helped students to develop a solid foundational typographic skill through rigorous exercises. Assisted the instructor during individual critiques of student works including booklets, posters, album covers, etc.

Gigabyte Sponsored Studio

ArtCenter College of Design

May-Aug 2022

Our team helped Gigabyte to imagine the future of AERO. By giving the right of creation and the freedom of creation back to the people, we envisioned AERO to empower all creators to share their stories easily.

PassItOn Campaign

The Foundation for a Better Life

Sep-Dec 2021

Directed two 30 seconds public service announcement using stock footages under Matthew Rolston's supervision. Both 30 seconds PSAs were made for the PassItOn Campaign to promote good values.

Neonflex

TECLED, Toronto ON, Canada

Mar-Sep 2019

Designed an solder-free LED Neon Lights adaptor system called Neonflex for TECLED. It conquered Toronto's market in a short time, and attended the 2020 Strategies in Light Exhibition in San Diego.
