The next thing I recommend is to encourage person with a gambling problem to seek counselling. I highly recommend a therapist who practices hypnotherapy. Form of of therapy effectively replaces negative thinking within the gamblers depths of the mind with positive thoughts. These positive thoughts will permit problem gambler to boost their self-esteem and confidence. Combined with this therapy you may encourage your friend or relative to go Gamblers Anonymous meetings normal basis.

No one can force you to gamble. Gambling is the choice. You build gamble to have fun. You can choose To gamble. Remember, prevention is better than cure.
