Archi-Pelago Design Build Project

Sandøya, Norway

08.2017

I collaborated with peers, international architects, and local residents of Sandøya to design and construct a community center in the span of 3 weeks. I assisted in the design and woodwork construction, drafted site plans, and filmed and edited a time-lapse video of the process.

EXPERIENCE

Teacher's Assistant at ArtCenter College of Design

Pasadena, CA

05.2022–present

In Intro to Transmedia taught by Miles Mazzie, I provide projection mapping demonstrations, aid the instructor during critiques, and work with students one-on-one to solve creative solutions.

Graphic Design Internship at StoryWorks

Taipei, Taiwan

07.2019–09.2019

I designed the visual identity for the play *The Beloved Godot*, assisted in photoshoot art direction, and facilitated press conferences.

Exhibition and Graphic Design Internship at the Maryland Science Center

Baltimore, MD

07.2018–12.2018

I worked on the design and construction of the annual gingerbread village exhibition *Sweet Street*, which involved woodworking and model-making with edible and inedible materials. I also designed posters for museum exhibitions and events.
