www.glengeorge.com

A transportation designer having a curious mind, that sees things in different perspectives based on the cultural diversity rooted from growing up in India and in th Middle-East and also has a focus to innovate and provide an idea driven experience. I love helping people out and am incapable of saying no. Cheers to Life.

education

Bachelor of Science, Transportation Design *Summer 2023*
ArtCenter College of Design - Pasadena, CA
GPA 3.625

experience

Industrial Design Intern *Spring 2023*
Polaris Inc. Medina, MN
- Supporting the design team in creating and working on projects that lead the company in the market.
- Deeper understanding of product planning, marketing and engineering functions
- Supporting the design team in conceptualising and ideating on future concept and production projects.

Meyers Manx - Sponsored Project *Summer 2022*
ArtCenter College of Design - Pasadena, CA
- Presented a new design language and concept for the brand targeted at a new generation.
- Focused on how lifestyle and driving experience comes into play as a key driver for design.
- Presented a finished 1/5th scale model that followed the same manufacturing process intended for full size.

Teacher's Assistant - VISCOM 2 *Spring 2022*
ArtCenter College of Design - Pasadena, CA
- Weekly demos on new shading techniques and color value studies for students in Photoshop.
