Midwestern Council Driver School – Blackhawk Farms Raceway

April 24th/25th, 2020

Wheel-to-Wheel Student Registration Information

Midwestern Council strives to make your Driver School experience as easy as possible. We know how overwhelming some of the requirements can be so we designed this page to help you through the process. This document will instruct you on the four simple steps to process your Driver School paperwork. Don't worry – it's not too painful!

- 1) Join a Midwestern Council club, if you haven't already. A list of clubs is available at www.mcsc.org. Once there, click on a "Member Club" logo to get more information about each - including how to join. You can either join a club directly, or choose to join a club when you register online for the school (at Step 2 below). Contact the Chief Instructor (school-chief@mcsc.org) for help with the registration process and for any questions that may come up. He can also connect you with a Club Steward to provide more assistance if needed. **If you are under 18**, make sure to read the "Minor" requirements later in this document.
- 2) Go to www.motorsportreg.com and register for the Driver School. Payment is due at the time of registration. If you are not yet a user, you will need to create an account. This is where online sign-up for all MCSCC events is hosted, so it will be time well spent!
- 3) Fill out and mail the Medical Form, and a Driver School Permit Application (both in this document).
 - a. The Medical Form must be completed and signed by your physician.
 - b. The Driver School Permit Application is completed by you.
 - c. Mail both to the School Registrar, no later than April 17th, 2020.
- 4) Attend the **REQUIRED CLASSROOM SESSION** that will be held at 6:30 PM on Friday April 24th in the Pavilion at Blackhawk Farms Raceway. (all **Auto-X** and **W2W** students)

That isn't so bad, but remember to get the paperwork done and on its way. These are the deadlines you need to meet:

Minor Participation Procedures

Midwestern Council (MC) allows 14-17 year old ("Minors") to compete in Wheel-to-Wheel (W2W) and High Speed Autocross (HSAX) events.

Note – 14/15 year olds are only eligible to participate if they can provide sufficient and verifiable experience prior to the school date. Contact the Chief of School for additional information.

All Minor participants must comply with the following procedures:

All Minor participants in W2W and/or HSAX **MUST** successfully complete a full day MC Driver School for the type of competition in which they wish to participate. Driver school may be waived by the Competition Director with an acceptable and verifiable current racing resume. Upon successfully completing a Driver School, or waiver by Competition Director, a Minor Participation License (MPL) or HSAX Minor Participation Certificate will be issued.

A "MINOR RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT" (Minor Release) form must be signed by one parent/legal guardian and in the possession of the MC Competition Director prior to a Minor being allowed to participate in a Midwestern Council event. To receive a blank Minor Release, the applicant must join a MCSCC club and contact the Steward of the club he/she joins, or the Chief of School. Notarized releases are valid until December 31st of the year in which they are signed and must be submitted each year until the Minor attains 18 years of age. The Competition Director will supply copies of this form to the MC President and Competition Licensing Director. A copy of the form will be provided to each event Chief Steward and Registrar for signature comparison with the form that will be completed by the Minor and attending parent/guardian at the events entered.

All Minors applying for a W2W Novice License must submit a Midwestern Council medical form; no other medical forms will be accepted.

At registration of each event entered, a Minor Release for that event shall be filled out and signed by the minor and attending parent/guardian. (Only one parent/guardian need attend events.) The Registrar will compare the signatures to those on the copied form. If believed to be the same, the Registrar is to sign and date the event release as a witness.

If at any time the attending parent/guardian intends to leave the track property, that parent/guardian is to inform the Chief Steward of intent to leave. Upon returning, the parent/guardian is to report to the Chief Steward. While the parent/guardian is away, the minor will not be allowed in restricted areas.

Minor W2W participants shall only be eligible for a "Minor Participation License" (MPL). While holding an MPL the participant shall conform to all regulations for both Novice and Probation licenses as detailed in the GCR. In addition, the driver must personally present the MPL to the event Chief Steward accompanied by the attending parent/guardian. Renewal of an MPL is similar to that of a Novice license. HSAX Minor Participation Certificates are to be sent to the Competition License Director for second year renewal as would the MPL.

Upon reaching 18, Minor Participation License holders are eligible to upgrade to the license level appropriate for the number of races completed while on the MPL.
