- 1 sign into seesaw
- 2 select the class you want to work on

1 Find the post you would like to edit or delete

2 Click on the [...] at the bottom of the post

Click
'Delete Item'
or
'Edit Item'

In response to: Homework for Monday March 22

This is a test

- ✖ Delete Item
- Edit Item
- Edit People, Folders, Date
- Copy and Edit
- Share or Save
- Print with QR Code

In response to: Reading Test

Which fraction is greater, $\frac{1}{2}$ or $\frac{1}{3}$?

You can use a number line to compare fractions with the same denominator.

Just like with whole numbers, the fraction to the right is the greater fraction. Write $>$, $<$, or $=$.

The fraction to the left is the lesser fraction. Write $>$, $<$, or $=$.
