

Traffic situations

Monday 6 up to and including Monday 20 April: various closures east of Zonnestein

During these two weeks, the crossing at Zonnestein will be closed, as well as Straat van Messina between Beneluxbaan and Eleanor Rooseveltlaan. For local traffic towards Kronenburg and Kostverlorenhof, there will be a route via the lowered concrete construction at Zonnestein. Ongoing traffic towards Amsterdam will be using the lowered concrete constructions at Zonnestein and Kronenburg.

Monday 20 April up to and including Friday 1 May: various closures at Zonnestein

The intersection at Zonnestein will be closed, as well as Straat van Messina between Beneluxbaan and Eleanor Rooseveltlaan. Zonnestein will also be closed between Beneluxbaan and Van Heuven Goedhartlaan. For local traffic towards Kronenburg and Kostverlorenhof, there will be a route from the lowered concrete construction at Zonnestein. For neighbourhood traffic towards Uithoorn, a local diversion will be in place. Neighbourhood traffic towards Amsterdam runs via Kronenburg. Ongoing traffic towards Amsterdam and Uithoorn will be using the lowered concrete constructions at Zonnestein and Kronenburg.

Friday 1 up to and including Monday 4 May: various closures at Zonnestein

During this weekend, the intersection at Zonnestein will be closed, as well as Straat van Messina between Beneluxbaan and Eleanor Rooseveltlaan. Zonnestein will also be closed between Beneluxbaan and Van Heuven Goedhartlaan. Only the lane for ongoing traffic towards Uithoorn via the lowered concrete constructions at Kronenburg and Zonnestein will be open. The lane for ongoing traffic towards Amsterdam via the lowered concrete constructions at Zonnestein and Kronenburg will be closed, as well as the lane at ground level. Traffic towards Amsterdam will be using a local diversion. From Friday evening 20.00 hours, bus 55 will have a shorter route, with a start and finish at Amstelveen's bus station instead of Amsterdam South station.

Monday 4 up to and including Friday 22 May: various closures west of Zonnestein

During these three weeks the roundabout at the Zonnestein side will be connected to the new Beneluxbaan. To do this, Zonnestein will be closed between Beneluxbaan and Van Heuven Goedhartlaan, and the Zonnestein intersection will also be closed. Local traffic will be diverted via Kronenburg. Only the lane for ongoing traffic towards Uithoorn via the lowered concrete constructions at Kronenburg and Zonnestein will be open.

Friday 22 May up to and including Monday 25 May: various closures west of Zonnestein

During this weekend, the finishing touches for the Zonnestein roundabout will be put in place. For this, yet again Zonnestein will be closed between Beneluxbaan and Van Heuven Goedhartlaan, as well as the Zonnestein intersection. Local traffic will be diverted via Kronenburg. The lane for ongoing traffic towards Uithoorn via the lowered concrete constructions at Kronenburg and Zonnestein will be closed, as well as the lane at ground level. There will be a local diversion for traffic towards Uithoorn. From Friday evening 20.00 hours, bus 55 will have an adjusted route, via Amstelveenseweg.
