## Green Room Newsletter

Hello Green Room Families! In the month of September is all about **Back to School!** We will start the month learning about **Me and My School**. The children will be making self portraits to show all their friends and teachers. The children will decorate a picture of them and their families on a house cutout for **Me and My Family**. Next, the children will learn all about the **School Bus** and make a school bus out of different shapes. Then we will explore the wonders of **School Supplies** and exploring all the cool things we need in our backpacks to get ready for school!

During the second week children will be learning about their **5 senses** through a week filled of exciting experiments. We will start off learning all about **sight** and talk about how sight allows us to see the world in a colorful perspective. We will also play "I spy" and make a color kaleidoscope. Next we will talk about **taste** by test tasting sweet and salty items like pretzel and fresh fruits. The following day we will talk about **touch** by learning about different textures like soft, hard, rough, etc. Towards the end of the week we will be learning about **sound** and **smell** through music and painting with different spices for the scents. We can't wait to share all this exciting projects with our children.

After the 5 senses, children will explore the life of **Apple and Pumpkins**. We will start off with learning all about the **Apple Seed** and make apple volcanoes with a teacher's help. The children will learn about pumpkin seed and sort colored Pumpkin Seeds by their corresponding color. The children will learn all about the **Apple Tree** and make tissue paper apple trees. The following day we will talk about **Pumpkin Patches** and learn how pumpkin grow and make contact paper pumpkins. For the end of the week we will learn about **Apple and Pumpkin Pie** and exploring how they are made by letting the children mix color on a pie cutout.

During the fourth week we will learn all about **fall leaves and trees**! We will start off sharing what we may see in the season of **Fall** and talk about what we should wear compared to the season of summer. Next we will talk about **leaves** and share what colors leaves may turn into during this season. Next up we will talk about different **trees** and share what happens to them and make leaf prints. Towards the end of the week we will talk about **foxes, acorns** and **pinecones**. We will be making a fox puppet and sort corn and pinecones by size.

### Reminders:

The Academy will be closed **September 2** for **Labor Day**

### Star of the Week

**September 1-7:**  
**Violet C.**

**September 8-14:**  
**Marius K.**

**September 15-21:**  
**Audrey P.**

**September 22-28:**  
**Ms. Cindy**

### Character Building Trait

**Friendly:** I get along with my classmates. I make friends feel welcome. I invite others to play with me. I say things to make my friends feel happy inside.
