## Celebrating the 20th anniversary of Nantucket Race Week

**Welcome to the 2023 Nantucket Race Week and Opera House Cup!** We have compressed Race Week into five days to make it more exciting and impactful, but we haven't left much out of the schedule. Please join us on the water in one of the 14 regattas or on shore for fun awards ceremonies and social events every day. We are excited to offer a special NRW 20th anniversary "Brewery Night" party to celebrate our NRW founders, sponsors, and participants.

Thank you to the hundreds of participants, donors, sponsors, housing hosts, guest race officials, celebrity tacticians, photographers, and volunteers for making this week possible. We are grateful to the Nantucket Yacht Club and the Great Harbor Yacht Club for hosting the race management activities, merchandise boutiques, awards ceremonies, regattas, and social events.

Nantucket Race Week and the Opera House Cup are the primary fundraising events for Nantucket Community Sailing. Your support for Race Week allows NCS to offer sailing for all ages and abilities, provide free community outreach programs for underserved children and seniors, and grant sailing scholarships for island youth.

## Happy 20th Race Week!

## NCS Mission

Nantucket Community Sailing's mission is to engage people of all ages in the joy of sailing, offering access to all Nantucket's youth, and teaching every participant in our programs enduring life and leadership skills, with a deep respect for the marine environment.

## About NCS

Nantucket Community Sailing was founded in 1994 as a non-profit educational organization by island sailors who recognized that, despite Nantucket's extensive maritime history and pristine waters, many Nantucket children had no access to a sailboat. NCS believes that the experience of learning to sail teaches lessons that will last a lifetime, such as confidence, environmental stewardship, and teamwork. The NCS fleet consists of 150 boats, kayaks and paddleboards, with a staff of 35 instructors during the summer and seven year-round employees. Over the past 29 years NCS has served over 18,000 children and provided over \$1M in sailing scholarships to island youth.

Each year NCS teaches 1,000 children in group classes, private sailing lessons, and free community outreach programs and provides \$150K in scholarships and outreach. Half of the children are year-round islanders who receive partial or fully scholarship sailing and water sports instruction. NCS's free community outreach includes sailing lessons and water sports for children from the Nantucket Boys & Girls Club and for children with disabilities from Nantucket STAR (Sports and Therapeutic Accessible Recreation), free adaptive sailing lessons for children of all abilities (formerly Sail to Prevail Nantucket), therapeutic sails for clients and caregivers from PASCON (hospice), and "Sails for Old Salts" for senior citizens from the Saltmarsh Center. NCS

offers a discounted membership program for ages 65+ where we provide sailboats and an instructor to sail with these "Silver Sailors". In the spring NCS provides free sailing, coaching support, sailboats, safety boats, and related equipment for the Nantucket High School sailing team.

NCS operates its sailing programs through Town of Nantucket license agreements at Polpis Harbor and Jetties Beach. Polpis Harbor is perfect for the youngest sailors, with shallow water and limited wind, current, and commercial boat traffic. Jetties Beach is where NCS teaches sailing lessons for Tiny Salts (ages 2-4), older children and adults, offers kayaks, paddleboards, and sailboats for rent to the general public, and hosts free community outreach programs. NCS's waterfront facilities are modest – small sheds with no utilities. NCS stores and maintains its boats at our 2.7 acre maintenance facility at 12 Industry Road, which we lease from the Town on a 99-year lease. In 2016 NCS made the decision to purchase property at 12 West Creek Road and build our own housing, after paying over \$100K annually for seasonal housing rentals and experiencing increasing difficulty in finding suitable homes for our instructors. We built an 18-person dormitory which came online in 2019, giving NCS guaranteed instructor housing and significantly reduced costs.

## Financial Performance

NCS has an annual budget of approximately \$2 million, which we raise from zero each year. Revenues come from sailing programs, Nantucket Race Week/Opera House Cup, general fundraising, and special events, such as the Opera House Cup 50th Gala or a unique fundraising campaign.

# 2023 IOD Celebrity Invitational

**The Celebrity Invitational** begins with an opening reception and buffet dinner at a private home on Wednesday, August 16, 2023, with two days of fleet racing on Nantucket Sound and another dinner on August 17, 2023. Seven races are scheduled. Each team will have a celebrity tactician on-board. Opportunities abound for non-sailing spouses and significant others to explore and enjoy the island: beaches, bicycling, water sports, shopping, museums, sightseeing and more.

The International One Design dates back to 1935, when Cornelius Shields commissioned Norwegian naval architect Bjorn Aas to design a strict one-design with inspiration from the majestic 6-Metre class. Twenty-one feet on the waterline, graceful overhangs extending to 33-feet overall, powered by a 45-foot rig, the IOD presents an enduring one-design keelboat racing tradition.

With fleets in Northeast Harbor (ME), Marblehead, Nantucket, Fishers Island, Long Island Sound, Chester (Nova Scotia), Bermuda, Sweden and Norway, the IOD class has strong bonds through inter-fleet competition. The King Edward VII Gold Cup leg of the Swedish Match Tour is sailed in the Royal Bermuda Yacht Club's fleet of IODs.

Formed in 1998, the Nantucket IOD Fleet is based on a unique concept. Rather than the traditional system of sailors owning their boats individually, the fleet is owned by an association consisting of sailor/member-owned syndicates, each of which owns an undivided interest, or share equivalent to a fraction of the entire fleet. The boats are identical in every way: hulls, rigging, sails, equipment, and tuning. Syndicates rotate boats on a weekly basis. It is truly one-design racing at its purest.

The Celebrity Invitational entails a unique format, combining serious competition with fundraising for a worthwhile cause. Celebrity Tacticians generously donate their time and talent to support Nantucket Community Sailing. A blind auction prior to the event gives amateur teams a chance to partially influence tactician assignments. Bids are undisclosed and not required, but are nonetheless welcomed, encouraged, and deductible as charitable contributions to NCS. Pairings are announced at the Wednesday evening reception.

## **Dawn Riley** **Master of Ceremonies** **5th Year**

We are thrilled that Dawn returns again to the Invitational as our Master of Ceremonies.

As CEO and Captain of America True, Dawn was the first woman and youngest person to manage an America's Cup sailing team. She raced on four America's Cup and two Whitbread teams. A documentary of her first Whitbread Race onboard Maiden was released in 2019. She is a former president of the Woman's Sports Foundation, served on the board of US Sailing, and is an adviser to several public service organizations.

Dawn has been in Oyster Bay, New York at Oakcliff Sailing since the inception in 2010. There she is building American leaders through sailing. A non-profit open to all, Oakcliff's signature Acorn and Sapling programs train athletes in inshore, offshore and high-performance sailing. Graduates receive training in all aspects of running a racing campaign from technical to finance to marketing and strategy. As a US Sailing training center, Oakcliff is preparing the next Olympic champions. It is also creating leaders inside and outside of the marine industry, including graduates Mark Towill and Charlie Enright, who are leading their third Ocean Race Team and placed other graduates Robyn Lesh and Sean O'Halloran with the NYYC's America's Cup team American Magic.

Recently Dawn was inducted to the National Sailing Hall of Fame and the America's Cup Hall of Fame, making her the first female and youngest person to become a "dual famer."

## **Dave Franzel | 6th Year**

Dave founded the Boston Sailing Center in 1977, because in his youth he found it easier to create a yacht club than to join one. Also, it was a way for him to feed his sailing fix on a daily basis and entice many thousands of others to become equally entranced by the sport. After selling BSC in 2007, Dave attempted to mix retirement with racing and coaching. Then, in 2016 he founded the St. Thomas Sailing Center at the St. Thomas Yacht Club in the US Virgin Islands, showing himself to be a complete failure at retirement. In addition to starting and running sailing centers, he has coached many teams in one design and handicap events. He also coaches clinics and seminars in conjunction with North U where he has had some success guiding less experienced teams to the podium. He campaigned Solings and Sonars for many years, finishing third in a Soling World Championship in 2002 and winning a Worlds in the Sonar class in 2009. Today you'll find Dave campaigning a J/70 and enjoying winters in the Caribbean racing IC-24s at the St. Thomas Yacht Club.

## OHC Race Committee Boats

*Serena* is a 74' motor yacht built in 1964 by Feadship. Fifty-four years after her launch in the Netherlands, *Serena* became the mothership of a small fleet of historic sailing

yachts owned by Matt Brooks and his wife Pam Rorke Levy. *Serena's* sleek mid-century styling is a natural complement to the fleet's flagship *Dorada*, a 1930 Sparkman & Stephens yawl, and *Lucie*, a 1931 Six-Metre designed by Clinton Crane. *Serena* was acquired after a seven-year search that took Brooks and Levy to boatyards across the U.S. and Europe. They were looking for a motor yacht with an illustrious and colorful history and considered boats from as far back as the late 1800s. Thank you to Matt and Pam for donating *Serena* to Nantucket Community Sailing over the past several years.

*Belle* is a 77 foot, wooden motor yacht built by the New York Yacht, Launch & Engine Company in 1929 and restored in 1998. Thank you to The Westmoor Club for donating *Belle*

to Nantucket Community Sailing for the Opera House Cup.

*Mare* was conceived as 'the old grey Mare' during her early years as the mothership for the W-Class yachts including *Wild Horses*, *White Wings*, *Equus* and *Mustang*. *Mare*

was built by the Wilco Steel Boat Company next to the Brooklyn Navy Yard and launched in 1946 as an "M" boat, a 47' World War II design. Reaching her early 70's, *Mare* was dressed up with black topsides and red bottom paint. Thank you to Donald Tofias of the W-Class Yacht Company and Sparkman & Stephens for donating *Mare* to Nantucket Community Sailing for the Nantucket Regatta and Opera House Cup.

*Topminnow*, is hull #01 in the Barton & Gray Daychaser 48 fleet, designed after 15 years of experience luxuriating on the water.

This yacht is purposefully crafted to enjoy the perfect day at sea with settees in the bow, ample aft deck space for lounging and swimming, a high-tech helm station, and a galley and bar on the main deck. Thank you to Barton & Gray for donating the use of this boat to lead the Parade of Wooden Boats for the Opera House Cup.

**Nantucket Boat Basin**  
**Saturday, August 19**  
**5:30-7:30PM**  
**\$25/pp**

THE EIGHTH ANNUAL CLASSIC YACHT EXHIBITION will be held in the Nantucket Boat Basin on Saturday, August 19th from 5:30pm to 7:30pm.

The yachts in the Classic Yacht Exhibition participate by invitation only, and this year we are featuring historic classics including some Concordia yachts. This is a special opportunity for guests to go aboard and see these beautiful yachts up close — which doesn't happen anywhere else!

Check-in to the Classic Yacht Exhibition is on the Straight Wharf dock. Participants will receive a booklet describing each of the yachts on display, and a map showing their location. We ask our guests to follow any rules that owners have for boarding their yachts, i.e., no shoes, no food or drink, and a limited number of visitors at a time. Hors d'oeuvres and refreshments will be provided by Fusion of Flavor. Tickets are \$25 per person and may be purchased in advance on the NRW website, at either Merchandise location, or at the event.

**The Nantucket Beetle Cats**, better known as the Rainbow Fleet for their beautifully colored sails, parade around Brant Point on Sunday morning, August 20, starting at 9:40am.

Photo: Roger Vandenberg

Another treat for spectators on the beach will be the Opera House Cup Parade of Wooden Boats, also on Sunday, August 20. The boats will start leaving the harbor around 9:00am after the cannon is shot from the tall ship LYNX. Spectators will be treated to an online brochure describing these incredible wooden boats, which range in size from the small Wianno Seniors

to the majestic Twelve Metres which competed in many America's Cup campaigns over the years. Some of these boats have been sailing for a century, others are new with modern technology, but they are all amazing wooden boats. We are fortunate to have such a spectacle here on Nantucket's waters.
