### Personal Statement & Musical Audition Requirements

#### Personal Statement Video (Required for ALL students)

In a single, unedited video, please record yourself answering **one** of the three personal statement questions below in 90 seconds or less. Please begin your video by stating which question number you are answering. If you applied last year, do not reuse your video. Answer specifically and express your unique perspective.

1. How have you used, or how do you believe you can use your musical experience to shape the world around you? Give us a specific example of this and explain how it has or could impact the people that surround you.
2. What are some of the skills, lessons, and values you've learned from studying music that will help you be successful in the life you envision?
3. Who is someone that inspires you, musically or as a person? Tell us about why this musician/person inspires you, and what you have learned about this person's ability to create inspiration through their work.

#### Musical Audition (Required for ALL students)

The musical audition is comprised of two sections:

##### 1. Assigned scales:

- String Players must perform each assigned scale **twice** with the following articulations:
  1. Slurred articulation
  2. Detaché
- Winds, Brass, & Percussion Players must perform each assigned scale with the articulations specified in the following pages.

**Note:** All instruments should perform their assigned scales using the scale pattern . Symphony Orchestra applicants should perform at a minimum tempo of ♩ = 120, and Chamber Orchestra applicants should perform at a minimum tempo of ♩ = 90.

##### 2. 2 assigned music excerpts:

The following pages will provide information on Required Scales and excerpts specifically for your instrument. You will be prompted to upload your videos on the [online application platform](#).

If you have specific questions about these requirements, please email us at [yola@laphil.org](mailto:yola@laphil.org).
