What's Happening This Month?

Happy November Blue Room Families!
This month we will be learning about our community, Maps/Globes/Travel and of course Thanksgiving!

To start off our month, we will be learning about different community members, such as Dentists and Construction Workers, and how they help us! The children will be learning about dental hygiene and why it is important to brush our teeth twice a day. We will also be focusing on our letter sounds.

Our second and third week will be all about Thanksgiving! Children will be learning about The First Thanksgiving with Native Americans and Pilgrims. We will make feather necklaces like Native Americans wore and build a Mayflower boat that floats on water like the Pilgrims arrived on!

After we come back from Thanksgiving Break, we will be focusing on Maps/Globes/Travel! Children will experience in China and Brazil and learn about different modes of transportation. We will also be learning about simple rhyming words and building a replica of the Great Wall of China!

We are looking forward to an exciting November filled with fun, learning, and thankfulness!
