

CAMP EXPLORATIONS

Bright Horizons at Wildwood

At Camp Explorations, there is no shortage of activity. From science and technology to arts & crafts to exploring nature and everything in between, your child will gain incredible experiences. Both when on-site and on field trips, Camp Explorations offers excellent adult-to-child ratios to ensure your camper is taken care of and nurtured.

Registrations will be accepted on a first-come, first-served basis. Parents are responsible for full payment of the camp fee for each session their child attends. Payment is due the week before each session. To reserve a space, please return your registration packet to the center by May 1, 2019.

SCHOOL-AGE ADVENTURES 2019 PROGRAM DESCRIPTIONS

Express Yourself Adventure: Session I (May 28 – 31)

Campers will explore games that are played as professional sports, games of the mind and strategy, and active games!

Culinary Arts: Session 2 (June 3 -7)

Campers will create nutritional and fun cooking projects! They will learn math concepts such as measuring and following step by step recipes. Cooking also introduces science concepts such as changes in matter mixing ingredients

STEAM Happens: Session 3 (June 10 - 14)

STEAM- Science, Technology, Engineering, Art and Mathematics is happening all around us! Campers will research, design, build, create, test, and develop innovative solutions for real world experiences.

Be A Money Boss: Session 4 (June 17 - 21)

Campers will explore topics that will make them more aware of the financial world. Campers will learn ways to earn and skills to manage money. This camp experience will offer opportunities to do jobs and come up with things to sell. Through this, campers will gain an understanding of giving, saving, and needs vs. wants.

Creative Design: Art Explosion: Session 5 (June 24 - 28)

Imagination and inspiration will shine during this week of art and design. Campers should prepare to get messy as they will explore all different types of art mediums and techniques including the fine arts, drama, dance and construction.

Game On!: Session 6 (July I - 5) (TLA Closed on July 4)

Campers will explore games that are played as professional sports, games of the mind and strategy, and active games!

STEM Happens: H2O: Session 7 (July 8 - 12)

STEM- Science, Technology, Engineering and Mathematics is happening all around us! Campers will experience all of these wonderful things through water this week.

The HEART Action Towards A Better World: Session 8 (July 15 - 19)

Join us at the finish line as campers will celebrate lasting friendships! They create farewell souvenirs that recall all the fun adventures of our time together.

Design Thinking: Session 9 (July 22 - 26)

Campers will use design thinking steps to explore a big idea. Campers will collaborate and work on their 21st century skills of critical thinking and group work to build a prototype of their idea.

Local Pride: Race Around Atlanta: Session 10 (July 29 - 31)

Campers will race around their home state of Georgia and the city where their camp is located. This theme is all about using local resources and embracing local pride.

Fitness, Technology and Literacy will be integrated throughout each session
