YACHT CHARTER

Umbrella Holiday offers the hire of yachts and luxury catamarans with a crew. Choose your destination: Croatia, Italy, Greece, Martinique, Saint Lucia, Seychelles, in fact any destination of your desire. Yachts can be rented for both small groups and larger groups, for example families as a small group or of course larger groups such as friends, work colleagues and business partners.

CABIN CHARTER

For customers who want to spend a vacation on a yacht, but do not need the entire boat, we can offer individual cabins. It is more affordable and there is no need to have your own captain in the team. Every cabin has its own bathroom and offers all the pleasures and comfort you would expect from a luxury boat.

OUR BOATS

Our flagship is the brand new motor catamaran MY 44 by the company Fountaine Pajot. This is a luxury yacht that has earned the honour of the European Motor Boat awards in 2018. It offers accommodation for 6 people with three twin bed cabins. The equipment is top-notch, the MY 44 also has excellent driving characteristics. From spring 2018 this incredible boat will be available in the marina of Croatian Trogir, near the airport in Split.

We also have dozens of other catamarans, cruisers and sail boats available.
