**Yellow Room: Ms. Maritza and Ms. Diana**

Hello, Yellow Room families! We have several exciting events planned for the month of July.

During the first week we will talk all about summer treats. The children will be creating their own treats using paint. They will be making watermelon fans, ice cream cones and much more. Also, the children will be painting with Kool-Aid ice, how excit-

ing!

Our second week will be all about the beach.

Children will create their own beach scene, beach balls and paint a surf board. They will also create their own sunset with colorful sand. Children will play with sand while looking for the letters of their name on shells.

The third week we will learn all about the ocean.

Children will create ocean animals, such as whales, crabs and jellyfish. They will also create coral reefs with paint and salt, how fun!

For our last week in July, our theme is pirates. Arrr! Children will make their own parrots, treasure box and pirate hats with various art materials. Children will also design and create their own pirate flag with paint.

## Announcements
