QUALIFIED REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF SOUTH AFRICAN MONITORING AND EVALUATION ASSOCIATION

We have audited the accompanying annual financial statements of SOUTH AFRICAN MONITORING AND EVALUATION ASSOCIATION for the year ended 28 February 2009 as set out in pages 2 to 5.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with General Accepted Accounting Practise, and in the manner required by the Companie Act of South Africa. This responsibility includes: designing, implimenting and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, wether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates, if any, that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with South African Standards on Auditing. Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors judgement, including the assessment of the risks of material misstatement of the financial statements, wether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by the directors as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Qualification

As in the case of similar organisations, it is not customary to implement accounting controls over the collection of cash from fees, sponsorships, donations and other income prior to the initial entry in the accounting records. Accordingly, it was impractical to extend our examination beyond the receipts actual recorded.

Audit opinion

Except for the effect of any adjustments which might have been necessary had it been possible for us to extend our examination of cash collections, it is our opinion that the financial statements are compiled in accordance with General Accepted Accounting Practise, and in the manner required by the Companies Act of South Africa. It is further our opinion that the financial statements fairly present, in all material respects, the financial position of the entity at 28 February 2009 and the result of its operation for the year then ended.
