Here we are, starting another school year with a lot of fun going on in the Orange Room! This month we will be talking about all about me, my school, our 5 senses, and Fall fun.

To start off September we will be talking about "All About Me." The children will draw a self portrait by looking into a mirror and drawing what they see. They will be learning about who is in their family and create a family tree. We will explore our physical attributes by sharing our emotions through pictures, seeing how much we weigh, and celebrating how differ-

ent we all are by graphing our various eye and hair color.

The second week in September we will be extending our "All About Me" theme and continue to discover who we are and our school.

The third week in September the children will use their 5 senses to create smelly art with different spices. As a class, we will test our taste buds to decide which fruits and vegetables they enjoy the most! The kiddos will also explore their hearing through fun listening activities

with headphones.

Our last week in September we will be talking all about Fall. The kiddos will focus on matching fall colors, creating patterns, and using a variety of materials to make trees and pumpkins.

We are excited for the new season and the year ahead!
