EXPERIENCE

04.2020–06.2021
Finding Unicorn Cultural Entertainment Co., Ltd.
Shenzhen, China
Photographer, Video Editor

I was in the team responsible for photography, post-production, and video editing. Cooperated with various brands to develop co-branded products. Provided partners with shooting strategies, product photography, video editing, and commercial promotion that aligned with the brand.

09.2017–01.2020
SmartWay Design Lab of Huazhong University of Science and Technology
Wuhan, China
UI/UX Designer

I developed web interfaces, mobile user-side architecture, and animation for several technology companies and medical groups. I have been responsible for several data visualization projects aiming to provide interaction design for clients based on different user groups.
