Martini Chronicles

THE MARTINI CHRONICLES

We trace the martini's origins back to the late 19th century, evolving from the Martinez cocktail, to blending gin and vermouth in perfect harmony. Over time, it transformed into a symbol of sophistication, embracing countless variations while retaining its iconic status in modern mixology.

1880 - 1900: SWEET ORIGINS

The martini emerged in the 1880s during the golden age of cocktails, evolving from the sweet Martinez cocktail. This era of experimentation set the stage for the martini's transformation into a timeless symbol of sophistication.

1920 - 1950: THE THIN MAN
