Spring is in the Air....

This month should be exciting! We have some fun themes planned for the kiddos. Week 1 we will be learning about weather, making a sun using pipe cleaners, and matching numbers on lighting bolts and storm clouds, tracing weather words, and using "raindrops" to make letters.

For week 2 we will be celebrating Dr. Seuss' Birthday! And doing some fun Dr. Seuss themed centers all week long. We will be making some sock art, playing pin the tie on the cat, and reading some teacher Dr. Seuss books.

During week three we will be learning about St.

Patrick's Day! The kiddos will be making a rainbow collage out of tissue paper, Dyeing a coffee filter shaped like a shamrock green, playing a gold coin letter matching game, identifying the phonetic sounds of letters to find the first letter in different colors, and measuring different heights of leprechauns.

For the last week in March we will be talking about Spring! We will be matching letters on flower pots to letters on flowers, decorating flowers out of buttons, making flower bouquets out of coffee filters, playing a shape matching game, and sequencing the life cycle of a flower from flash cards!
