

Summer Camp 2019 Registration
February 23, 2019
9:00 AM via Sign Up Genius Links

Summer Camp Families,

This year an abbreviated summer camp will be provided on the campus of the Jeannette Cathy Children's Center. The total capacity of this first offering is 40 campers. We will review this capacity prior to our next offering in the winter. We will have limited off site field trips and our swimming will not be included this season. Our enrichments to our traditional summer camp curriculum will be in house vendors. Children will be divided by age groups. Depending on the makeup of the group, younger campers will be on one side and older campers on the other. There is a common space between the two classrooms for joint activities when scheduled. Your links for registering are below. We ask that as you coordinate your summer care plan to please be mindful of your available resources and needs. Also be aware of yours and your child's summer schedules. *Registrations will require a 2 week notice of cancellation should you no longer need them. Cancellations not meeting this requirement will still be payroll deducted. Thank you for following our cancellation policy.*

NEXT STEPS:

- 45 Slots per week have been made available to families via the Sign up Genius links. The last 5 slots are our *Wait List Families*. We will call in numbered order should we have a cancellation. If there have been no cancellations, we will not reach out. *Wait List Families* - please include these weeks in your summer care plan in case there are no cancellations for your desired week.
- 40 Spaces – Families who completed the registration and are included in the 40 spaces, you will receive a confirmation email from our Enrollment Manager Miriam Knight. This confirmation email will include the date for enrollment paperwork completion. There will be a group orientation on a date to be determined. *Wait List Families* will not attend this orientation. *Wait List Families* will only complete the paperwork should a space come available.
- Please be on the lookout for the Summer Camp Enrollment Orientation date. A distribution list made from the registrations will be compiled and used for the summer of 2019. All communications will be made via our center email to that distribution list.

Thank you
