Copenhagen's Creative Pulse

3daysofdesign takes place at various locations all across Copenhagen. We've organised the locations into several designated Design Districts, to make it easy for guests to visit our broad range of exhibitors, featured in design studios, showrooms, galleries, mansions, event venues, public spaces, rooftops and other outdoor arenas.

During the festival, Copenhagen truly comes alive, as a vibrant focal point for outstanding design, award-winning architecture, forward-thinking urban planning, and exceptional cuisine. Replete with pioneering people and game-changing projects.

If you don't have an exhibition space yet, we have an extra location scouting service that matches curated venues across the city with your exhibition concept.

Exhibitors create their own exhibitions in venues that we've curated across the city – from showrooms and galleries to workshops and warehouses to Rococo mansions.

Each venue has shared certain criteria to facilitate our matchmaking process. Our goal is to create long-standing partnerships that support our exhibitors for years to come.

If you would like to apply for our Location Scouting service to find the right venue for your exhibition, be sure to let us know when signing up.

PLEASE KEEP IN MIND THAT WHILE WE ENCOURAGE VENUES TO SET FAIR RENTAL COSTS AND ONLY SHARE THOSE THAT ALIGN WITH THESE, EXHIBITORS ALSO NEED TO HAVE A FAIR RENTAL BUDGET.

PLEASE NOTE THAT LOCATION SCOUTING IS A SERVICE, AND THE DEAL YOU MAKE WITH A LOCATION IS SEPARATE FROM 3DAYSOFDISIGN AND IS NOT COVERED BY THE LOCATION SCOUTING FEE OR THE PARTICIPATION FEE.

*THE AMOUNT IN EUROS WILL BE CONVERTED ACCORDING TO THE EXCHANGE RATE IN EFFECT ON THE DATE OF THE INVOICE ISSUANCE.

FAQ

HOW IS MY PARTICIPATION FEE DETERMINED?	DO YOU HAVE FAIR STANDS?
The fee is based on your company’s gross margin. We review your financial statements and propose a fee that reflects your business scale and capacity.	No, 3daysofdesign is not a trade fair which typically has exhibition booths. We are a design festival that takes place in designated Design Districts across Copenhagen, featuring exhibitors who create their own exhibitions in curated venues throughout the city - from museums, cultural centres and design studios, to outdoor arenas and other unique spaces.
WHAT IF WE ARE TWO BRANDS THAT SHARE THE SAME ADDRESS?	HOW DO I FIND AN EXHIBITION SPACE?
Each brand must register separately, even if sharing an address. This ensures that both brands are properly promoted across all festival platforms, such as our dedicated website profiles and social media posts.	You are welcome to contact any venue directly that suits your brand and exhibition concept. If you would like our help finding the right venue and connecting you with the venue provider, we strongly recommend requesting our Location Scouting service early in the process. Our team can help identify suitable venues and support you in securing the right location.
IS THERE A DISCOUNT IF I REGISTER LATE?	WHAT HAPPENS IF I DON’T UPLOAD MY MATERIALS ON TIME?
No, late registration will not reduce your fee. It will only affect your exposure and how early you are featured in our festival communication and promotion. We highly recommend that you sign up before the deadline 1 February 2027.	Deadlines are essential. You will miss out on crucial digital and printed promotions, if you upload too late.
CAN I GET A REFUND?	CAN 3DAYSOFDESIGN PROVIDE STORAGE?
No refunds will be issued for cancellations. By mutual written agreement, 3daysofdesign may allow participation to be deferred to the following year’s festival, subject to availability and applicable terms.	Unfortunately, no. We do not have storage facilities.
WHAT IS THE DIFFERENCE BETWEEN PARTICIPATION FEE AND VENUE FEE?	CAN I CHANGE MY BILLING DETAILS AFTER I SIGNED UP?
Participation Fee is paid to 3daysofdesign and contributes directly to organising the festival. The Venue Fee is paid to the landlord of the space you rent. This is separate from 3daysofdesign and is based on your own agreement with the venue provider.	If billing information has to be changed after the invoice has been issued, an administrative fee of 1.500 DKK will apply.
