castle hill.

A red ladder is leaning against a blue background. A purple and green patterned band is draped across the middle of the ladder. The ladder is positioned diagonally, with its top right and bottom left. The background is a solid blue color. The purple and green patterned band is draped across the middle of the ladder, creating a visual barrier. The ladder is made of red wood and has several rungs. The purple and green patterned band has a repeating geometric pattern. The overall image is a simple, stylized illustration.

A red ladder is positioned diagonally across the frame, leaning against a background that features a cityscape with a large building and a river. The background is divided into horizontal bands of blue and orange. A portion of a purple and blue striped sphere is visible on the right edge.

A red ladder is leaning against a blue background with horizontal orange stripes. The ladder is positioned diagonally, with its top rungs near the top left and its base near the bottom right. The background consists of a solid blue field with two horizontal orange stripes. The top stripe is near the top edge, and the bottom stripe is about halfway down. The ladder's rungs are horizontal and parallel to each other. The side rails of the ladder are slightly curved outwards at the top and bottom. The overall style is simple and graphic.
